

# Welcome to Forest Lake State High School

Forest Lake State High School provides educational programs and services for over 1300 students in years 7-12 in a co-educational environment. The school comprises a middle school (years 7, 8 and 9) and a senior school (years 10, 11 and 12). Established in 2001 with unique facilities, the school is committed to providing a quality education to meet the needs of 21st century students by:

- Providing high quality educational programs and services to the diverse group of students enrolled at Forest Lake SHS
- Providing opportunities for student excellence in academic, cultural and sporting pursuits
- Developing caring relationships with all members of our school community
- Encouraging student leadership
- Building workforce capability through focused professional development and learning; and
- Involving parents in all aspects of school life.

As principal, I am committed to making Forest Lake State High School a great place for students, staff and the school community to share the excitement of learning in a challenging, safe and supportive environment. Please browse our site for further information and contact us if we can be of further assistance. We know that students will enjoy their experiences and education at our school.
