

Strategic Plan 2026-2029

Forest Lake
STATE HIGH SCHOOL

Our Vision A first class education for every student

Our Purpose To educate and empower students to become successful global citizens

We at Forest Lake live by **PRIDE**: Prepared, Respectful, Inclusive, Dedicated, Engaged.

We deliver dynamic and innovative programs that meet personal learning needs and build 21st-century skills.

We foster belonging and success.

We provide a diverse range of academic and vocational options, creating personalized, aspirational pathways.

Together, our skilled staff provide a safe, supportive environment built on strong relationships with students and families.

We Connect

We build relationships that embrace diversity and facilitate connectedness.

We design safe, welcoming and challenging learning environments.

We offer many opportunities for all students to engage in activities, events and leadership beyond the traditional classroom.

We Learn

We provide learning approaches that support the engagement of every person in our school.

We foster curiosity and creativity.

We believe learning is about personal progress and growth.

We collaborate to improve learning outcomes in our school.

We Thrive

We are a community, committed to a culture of collaboration, belonging, innovation and service.

We cultivate a positive school climate of high expectation and high support.

We inspire, support and celebrate each other.

We value resilience and caring for each other.

Strategic Goals 2026-2029

- ◆ Prioritise positive relationships, knowing our learners, and personalised learning.
- ◆ Amplify student voice and agency in our school, so that young people can contribute to shaping our culture, learning and wellbeing.
- ◆ Strengthen community and industry partnerships beyond the classroom so that students can engage in a range of real-world application experiences.

Strategic Goals 2026-2029

- ◆ Design and deliver an aligned curriculum with real world, global and innovative perspectives.
- ◆ Equip expert teaching teams to implement effective teaching practices in inclusive learning environments.
- ◆ Track student learning in our context to support every student to achieve their best.

Strategic Goals 2026-2029

- ◆ Provide a dynamic and inclusive learning environment that is continuously refined to meet the diverse needs of our community.
- ◆ Develop positive, productive and sustainable staff culture and practices that enhance job satisfaction and retention, while enabling high levels of professional growth and progression.
- ◆ Celebrate the wide-ranging success of our school and individuals in a variety of ways.
