Forest Lake State High School Canteen Menu 2025

Inside is a list of items available for purchase on a daily basis, on the back is the breakfast menu and list of daily specials. We have revised our menu to meet the guidelines set by the Queensland Government in their “Smart Choices - Healthy Food and Drink Strategy for Queensland Schools” program. The basic criterion of the program is to encourage healthier choices to be made by the children in selecting their food and drinks, not just at school but also at home. Consideration has been given to energy levels (kilojoules), saturated fats, sodium and fibre levels. Our school has obviously led by example as we have not had to make very many changes.

Any questions or special requests (we are happy to help if we can) please give me or one of our lovely staff members a call on 3714 2321 between 7:30am and 2:00pm) any day.
