

2026 YEAR 12 GUIDE

TO FURTHER STUDY

QUEENSLAND TERTIARY ADMISSIONS CENTRE

QTAC®

CELEBRATING 50 YEARS

Thinking about further study?

You'll need a USI.

Your Unique Student Identifier (USI) is your education number for life. You need a USI if you are:

- a student studying nationally recognised Vocational Education and Training (VET)
- seeking a VET student loan
- a higher education student seeking a HELP loan or Commonwealth Supported Place
- a higher education student graduating.

Find or create your
USI at usi.gov.au

QUEENSLAND TERTIARY ADMISSIONS CENTRE LIMITED (QTAC)

USE OF THIS PUBLICATION AND DISCLAIMER

The objective of the 2026 QTAC Guide to Further Study is to provide prospective applicants to tertiary courses covered by the Guide with details of how to apply for each course. It also contains general information regarding course curricula and other course information. The Guide should not be used for any other purpose.

The Guide has been compiled by QTAC based on information available as of April 2025. The information contained in this Guide is subject to change. Where QTAC is advised by participating institutions or institutions with direct applications of material changes to course or other information contained in this Guide, and if any changes to QTAC's timetable or procedures are required as a result of changes of which QTAC is aware, this information will be published on QTAC's website at qtac.edu.au.

Prospective applicants should therefore check QTAC's website prior to lodging an application for any course. For detailed course information, prospective applicants should check QTAC's website at qtac.edu.au/course-search or contact the relevant institution and should not rely on this publication when making decisions or taking any action.

The Guide has been compiled and published by QTAC on behalf of participating institutions and institutions with direct applications and contains information provided by them and many other bodies. QTAC has not verified, and does not represent or warrant, that such information is accurate, complete or up to date.

The preparation and publication of the Guide is not, and should not be taken as, an endorsement by QTAC of any particular institution or course. QTAC disclaims, on behalf of itself, its officers, employees and agents, any liability for any decision made, or action taken, in reliance on the information in this publication.

ADVERTISING DISCLAIMER: QTAC does not necessarily endorse any product or service that may be advertised in this publication.

TIMES AND DATES: Times and dates listed in this *Guide* are based on Queensland local time (GMT+10).

EDITORIAL & PUBLISHING: Proudly produced by the QTAC Marketing Team.

FRONT COVER DESIGN: Sally Yousif-Jaan, student at Yeronga State High School, Queensland.

COURSE CONTENT: With thanks to the institutions that have contributed to this publication.

Part 1: USEFUL INFORMATION

HOW TO APPLY

BEFORE YOU START

If you have the following information on hand, you'll find the application process much easier.

To apply, you'll need:

- A personal email account you check regularly (not your school email)
- Details of the courses you're applying for
- Details of your qualifications and experience
- If you're in Year 12 in Queensland, you must also enter your Learner Unique Identifier (LUI) number to complete your application.

Visit myqce.qcaa.qld.edu.au to find your LUI if you have forgotten. We'll let you know after you apply if you need to provide copies of your qualifications. For information on documentation, visit qtac.edu.au/pathways/#documentation.

HOW TO APPLY

- Visit applications.qtac.edu.au
- Create a QTAC account or log in to your existing account
- Fill out your details and lodge your application
- Check your 'Alerts' section, and submit copies of your qualifications, if required.

AFTER YOU APPLY

After you apply, you can track your application online. Here, you can:

- Check if you meet the entry requirements
- Pay your application fee
- Change your preferences
- Update your contact details
- View correspondence from QTAC
- Check if you need to submit documentation
- View and respond to an offer.

CHANGE TO APPLICATION DETAILS

Call QTAC on 1300 467 822 if you need to change the following details on your application:

- Name, Date of birth, Citizenship status, Aboriginal, Torres Strait Islander, Maori, Pasifika or Australian South Sea Islander status, Gender, Qualification details
- Any changes relating to the Educational Access Scheme (EAS).

APPLYING INTERSTATE

If you want to study outside of Queensland, contact the tertiary admissions centre in the state or territory of your choice for information on applying.

ATAR INFORMATION

WHAT IS THE ATAR?

The Australian Tertiary Admission Rank (ATAR) is the standard measure of a student's overall academic achievement in relation to that of other students. It is intended to help tertiary institutions select applicants into their courses.

The ATAR is a percentile rank, not a mark. This rank indicates a student's position relative to other students in their age group in any given year.

An ATAR is expressed as a number on a 2000-point scale from 99.95 down to 0.00 in steps of 0.05. The highest ATAR is 99.95, then 99.90, then 99.85, and so on, down to 0.00. An ATAR below 30.00 is reported as '30.00 or less'.

ATAR ELIGIBILITY

To be eligible for a Queensland ATAR, you must:

- Satisfactorily complete (i.e. achieve a minimum grade of C or higher) an English subject (Unit 3, Unit 4); English, English as an Additional Language, English and Literature Extension, Literature, or Essential English
- Complete five General subjects (at Units 3 and 4) or complete four General subjects (at Units 3 and 4) plus one Applied subject (at Units 3 and 4) or a completed VET qualification at AQF Certificate III level or higher
- Accumulate your results within a five-year period.

ENGLISH SUBJECT REQUIREMENT

While you must satisfactorily complete an English subject to be eligible for an ATAR, your English result will only be included in your ATAR calculation if it is one of your best five scaled results.

To satisfactorily complete a subject, you must attain a letter grade of 'C' or higher.

ACCUMULATED AND ACCELERATED RESULTS

Your ATAR is based on the aggregate of scaled results in your best five eligible subjects, irrespective of the year in which the subjects are completed.

Most students are expected to follow a traditional pattern of accumulating their results over two years of study in Years 11 and 12, with results at Units 3 and 4 achieved over the one year (Year 12).

To cater for students who are unable to undertake five subjects in one year, an ATAR can be calculated based on results achieved over five consecutive years. Completing one eligible subject each year over a five-year period should qualify you for an ATAR.

HOW IS THE ATAR CALCULATED?

Your ATAR will be calculated in three steps

1. The Queensland Curriculum and Assessment Authority (QCAA) provides your Unit 3 and 4 subject results in General and Applied subjects and completed VET qualifications to QTAC.
2. QTAC scales these subject results and VET qualifications. This produces scaled results.
3. ATARs are then allocated to students based on the total (aggregate) of their best five scaled results.

Note: Only completed VET qualifications listed in your QCAA student learning account will be sent to QTAC. To check your account, visit myqce.qcaa.qld.edu.au.

For more information on calculating the ATAR, visit qtac.edu.au/atar.

ATAR AND ADJUSTMENT FACTORS

When your QTAC application is assessed, adjustment factors are added to the selection rank after ATARs are calculated, according to individual tertiary institution rules. Adjustments do not change your ATAR, and will not be displayed in your ATAR Portal, but change your selection rank for a particular course at a particular institution on your QTAC application only.

Adjustments may be applied for factors such as performance in certain Year 12 and university subjects, living or attending school in a certain location, and consideration through QTAC's Educational Access Scheme (EAS). Refer to page 14 for information on adjustment factors and EAS. Adjustment factors are applied differently from institution to institution and from course to course. Visit each institution's website for more details.

VET QUALIFICATIONS FOR TERTIARY ENTRY

Completed Vocational Education and Training (VET) courses can be used for tertiary entry in two ways:

- VET included in the ATAR; and/or
- VET as a standalone basis of admission.

How VET is incorporated into the ATAR calculation

The VET qualifications that count towards ATAR eligibility are completed Certificate III, Certificate IV, Diploma and Advanced Diploma qualifications.

Each VET qualification level will have a single scaled result that can be included in your ATAR calculation.

That scaled result in any one year is the same regardless of the field of study, duration or content of the VET qualification (for example, a Certificate III in Hospitality and a Certificate III in Laboratory Skills = same scaled result).

VET as a standalone basis of admission

Institutions may consider completed VET qualifications at Certificate III level and higher as a standalone basis of tertiary admission. Visit each institution's website for more details.

PERFORMING ARTS QUALIFICATIONS FOR TERTIARY ENTRY

Performing Arts qualifications such as AMEB awards are not eligible inputs into the ATAR calculation. However, some institutions may consider these qualifications as a standalone basis of tertiary study.

HOW TO GET YOUR ATAR

ATARs will be released online via the QTAC ATAR Portal on Thursday 18 December 2025. To receive your ATAR, you must register for access (using a private non-school email) to the QTAC ATAR Portal.

Find your future.

In just 10 minutes, you'll get a career persona and a personalised list of courses.

Take the quiz now

qut.edu.au/match-my-skills

MATCH MY SKILLS

TEQSA PRV12079 | CRICOS 00213J

Registrations for the QTAC ATAR Portal open Tuesday 5 August 2025. Visit qtac.edu.au/atar for more information.

QTAC applications for courses starting 2026 also open Tuesday 5 August 2025. Applying for courses through QTAC is separate to registering for access to the ATAR Portal, refer to page 5 for details on how to apply for courses through the QTAC Application Portal. If you are applying for tertiary study interstate, you should still register in the QTAC ATAR Portal as by doing so, you will provide the necessary consent for QTAC to share your ATAR with interstate Tertiary Admission Centres.

For specific questions about the ATAR call the ATAR hotline on 1300 193 173 or email atar@qtac.edu.au.

COURSE ENTRY REQUIREMENTS

ELIGIBILITY

Institution admission criteria apply to every applicant for every course. The criteria can be different for each institution. These include:

- Prerequisites, and
- Institution admission rules.

PREREQUISITES

Prerequisites are entry requirements you must meet before you are considered for entry.

Subject prerequisites

Subject prerequisites are subjects you must complete and achieve a specified result before you are considered for entry. The most common subject prerequisite is English (Units 3 and 4, C), which means you must study English and achieve a minimum grade of C or higher in Units 3 and 4. General English subjects to meet this requirement are: English, English as an Additional Language, Literature, English and Literature Extension. Not all courses have subject prerequisites. Some courses have assumed knowledge and/or recommended study. If your course has assumed knowledge or recommended study, you can get in without having studied the particular assumed knowledge/recommended study subject. However, you'll probably find you're better off if you have studied it, because the institution will assume, or recommend, that you have the subject knowledge.

Other prerequisites

Some courses have other prerequisites (i.e. creative and performing arts have interviews, portfolios or auditions that you must pass first). Other courses may have a prior tertiary study prerequisite, meaning you need to have already completed another course, like a diploma or bachelor's degree, to gain entry.

You can find prerequisites for courses starting in 2026 in the Courses section of this *Guide*.

MERIT

If you meet the course eligibility requirements, you will be considered for an offer based on merit (i.e. based on your selection rank). For some courses, achieving a minimum ATAR (selection rank) is enough to get an offer.

For other courses, you'll need a better ATAR than other applicants to successfully compete for a place ahead of them. For a small number of competitive courses, like medicine or dentistry, you may need even more, such as results in certain subjects, or a minimum score in the University Clinical Aptitude Test (UCAT), for example.

Check QTAC's Course Search for requirements, or visit each institution's website for further details.

If the course you want to get in to doesn't need an ATAR for entry, and you meet the institution admission rules, you don't need to compete for a place and will simply receive an offer for the course when offers are made.

If you meet the entry requirements for your chosen course, you will be considered for an offer. If you get an offer, it means you've been given a place in a course. Refer to page 16 for more information about offers.

INSTITUTION ADMISSION RULES

English language proficiency

If English is not your first language, you must demonstrate you can speak, write, read and comprehend English to a standard set by the institution. For institution-specific requirements and accepted tests, visit qtac.edu.au/key-info/#application-requirements.

Nursing and Midwifery

Before you can be considered for a place in a nursing or midwifery course, the Australian Nursing and Midwifery Accreditation Council (ANMAC) requires that all applicants must demonstrate their English language proficiency.

Once you have submitted your application for a nursing or midwifery course through QTAC, you will be sent a request via email for more information about your English language proficiency. You will need to complete the request by filling out the option that applies to you, and uploading the document to your application. This requirement applies to all applicants, regardless of their country of birth or language background. For more information, visit qtac.edu.au/admission-criteria/#nursingmidwifery-courses.

Initial Teacher Education Courses

For entry to **some** initial teacher education courses, you will need to meet both academic and non-academic entry requirements.

Academic entry requirements can include subject prerequisites and selection rank thresholds.

To meet the non-academic entry requirements, applicants must complete an online questionnaire. If it is a requirement that you complete an online questionnaire, QTAC will be in touch. If you have not received an email a few weeks after applying, call us on 1300 467 822 for assistance.

The questionnaire will assess your motivation and suitability to become a teacher, and your involvement in personal learning and leadership activities. For more information, visit qtac.edu.au/admission-criteria/#education-courses

Minimum age requirement

Each Institution will have different age requirements. Refer to institution specific information from page 77.

At Bond University, you will be welcomed with open arms by students, faculty and an institution just as ambitious as you are.

bond.edu.au

PREFERENCES

ADDING PREFERENCES

Before you apply, find the courses you want in the Courses section of this Guide, or in Course Search at qtac.edu.au/course-search. Take note of the QTAC course code for each course (knowing the course code makes it quick and easy to add preferences to your application).

1. Search for the course/s you want, or insert the QTAC course code
2. When you've found a course, select **Add**
3. You can add, delete, edit or reorder your preferences. Make sure you order them as per the month of the offer round date
4. Once you've put all your courses in the offer you want, select **Confirm and Continue**.

CHANGING PREFERENCES

You can change your preferences after you apply by logging in to your application online. Here you can add, delete, edit or reorder your preferences, but don't save your changes until you've got your preferences exactly as you want them - the first three preference changes you save are free, but you're charged a fee each time after this.

Note: You cannot delete a preference you have been offered. Visit qtac.edu.au/application-services/#preferences for more information on changing preferences.

ORDERING PREFERENCES

You can select up to six course preferences, and ordering them correctly is crucial to the outcome of your application. Using all six preferences maximises your chances of getting an offer. Order your preferences like this:

Preference 1 Preference 2	DESIRED COURSES	These are the courses you want to study most, and entrance requirements are more competitive
Preference 3 Preference 4	BACK-UP COURSES	These are alternative courses you'd like to study with less competitive entrance requirements
Preference 5 Preference 6	PATHWAY COURSES	These are bridging and enabling courses that can help you get into the course you want and prepare for tertiary study

If you're applying for courses that have different offer rounds, you'll then need to reorder your preferences according to the offer round date.

Refer to Key Information on the QTAC website for upcoming offer rounds and key dates qtac.edu.au/key-info/#QTAC-dates.

As per the example below, if January is the offer round for your first preference, and December is the offer round for your second preference, you will miss out on your second preference because offers are made before your application is considered for your first preference:

COURSE		START MONTH	OFFER ROUND
1	B Acting	Mar 2026	Jan 2026
2	B Commerce	Feb 2026	Dec 2025
3	B Business	Mar 2026	Jan 2026
4	B Commerce	Feb 2026	Jan 2026
5	D Business	Mar 2026	Jan 2026
6	D Accounting	Jul 2026	Jun 2026

By placing your second preference first, you can now be considered in the December offer round:

COURSE		START MONTH	OFFER ROUND
1	B Commerce	Feb 2026	Dec 2025
2	B Acting	Mar 2026	Jan 2026
3	B Business	Mar 2026	Jan 2026
4	B Commerce	Feb 2026	Jan 2026
5	D Business	Mar 2026	Jan 2026
6	D Accounting	Jul 2026	Jun 2026

DOCUMENTING STUDIES

In some cases, you may need to provide copies of your qualifications to us, so we can assess them as part of your application. We'll let you know after you apply if you need to provide documentation. You can submit your documents online, by logging in to your application at applications.qtac.edu.au.

If you have extra qualifications, such as a Certificate III or an Australian Music Examinations Board (AMEB) award, you should include them in your QTAC application, because some institutions accept them for entry and the qualification could help you get an offer.

Any qualifications already in your QCAA learning account will automatically appear in your QTAC application when you apply; you won't have to add them. If your qualifications are meant to be included on your QCAA Senior Education Profile (SEP) and you can't see them in your QTAC application, speak to your school guidance officer to get them added to your QCAA learning account. If you have qualifications that won't be included on your Senior Statement, add them anyway.

TIPS FOR SUBMITTING YOUR DOCUMENTS

- Check the key dates on our website to ensure you submit your documents on time.
- Make sure each document is clear, easy to read and no parts have been cut off in the uploading process.
- If you can't upload your documents, visit qtac.edu.au/qtac-documentation-upload and complete the form.
- If your documents are in a foreign language other than English, submit a copy of the original document as well as a full, official English translation (extract translations are not accepted).
- Visit qtac.edu.au/pathways/#documentation for detailed information on what documents to provide for different types of studies.

We reserve the right to request original documents and/or certified copies of documents, if required.

Create the success that means more to you.

APPLICATION DETAILS

Understanding your QTAC application is an important step toward entering higher education. By familiarising yourself with the required information, responses, and documentation within your application, you'll be better prepared to participate in multiple offer rounds and increase your chances of securing a place in your preferred course.

APPLICATION PENDING

If your application status is listed as **Pending**, click the **Details** button to find out why. This button will show a list of all entry requirements for your selected course, and you will see one of the following statuses:

- Processing of this information has not commenced,
- Not yet determined, or
- Decision Pending.

Depending on the status displayed, it could indicate your application is still be undergoing assessment or that there are outstanding documents still required. If you haven't provided all of your documents, navigate to the **Alerts** tab to find out more. To understand pending status visit qtac.edu.au/application-services/#offers.

NOT SATISFIED ENTRY REQUIREMENTS

If you **have not** met all entry requirements, you should find **Not Satisfied** outlined next to your preference. By clicking the **Details** button, you should see **No** next to any unmet requirements, meaning you won't be considered for an offer. Useful pages to check are:

- **Offers:** Scroll through this page and visit 'If you didn't get an offer' for common reasons to watch out for. Visit qtac.edu.au/application-services/#offers
- **Pathways:** If you haven't met one or more entry requirements, here are alternative pathways you can consider. Visit qtac.edu.au/pathways.

SATISFIED ENTRY REQUIREMENTS

If you have met all entry requirements, you should find Satisfied outlined next to your preference. By clicking the Details button, you should see Yes in each row.

However, meeting these minimum requirements doesn't guarantee an offer; your application will be evaluated based on merit. If you yet to receive an offer, you may be considered in subsequent offer rounds, dependent on course availability. Useful pages to check waiting on an offer are:

- **Selection Rank Profile:** Access this page and select minimum selection thresholds to view the minimum adjusted score needed for an offer. Visit qtac.edu.au/key-info/#application-requirements
- **Key Dates:** Ensure you observe QTAC Key Info page for when to submit your application and additional dates for further offer rounds for the courses in your preference list. Visit: qtac.edu.au/key-info/#qtac-dates.

ADJUSTMENT FACTORS & EAS

TYPES OF ADJUSTMENT FACTORS

Below are some common types of adjustment factors that can apply extra points to your selection rank. Contact the institution you're interested in for more information on adjustments types offered.

Subject Adjustments

Subject adjustments are made for passing specific Year 12 subjects. These may include: Specialist Mathematics, a Language Other Than English (LOTE), or a university-level subject studied during your senior education. To receive subject adjustments, you must be a current Year 12 student. They are made to your QTAC application automatically, after we've received your Year 12 results.

Location Adjustments

Location adjustments are made based on your proximity to the institution you're applying for. For example, some institutions give you additional points for being a local resident, or for living in a regional or remote area. Location adjustments are made to your QTAC application automatically, after you apply.

Elite Athlete and Performer Adjustments

Elite athlete and performer adjustments recognise sporting or artistic skills, expertise. To be eligible for elite athlete adjustments, you must be competing in an Australian Sports Commission (ASC) sport recognised at a state, national or international level. You'll find the option to apply for this adjustment scheme inside your QTAC Application.

To be eligible for performer adjustments, you must be a member of, or had significant success in a major artistic performing arts or production company at a state, national or international level; however, eligibility requirements may differ between institutions. Visit qtac.edu.au/assistance-schemes/#elite-athlete-adjustment-scheme.

Equity Adjustments

Equity adjustments are based on disadvantages like financial hardship, illness, disability, educational disruption, or home environment. These are considered through the Educational Access Scheme (EAS). See page 15 for details.

THE UNIVERSITY
OF QUEENSLAND

CRICOS Provider 00025B • TEQSA PRV12080

EDUCATIONAL ACCESS SCHEME (EAS)

The Educational Access Scheme (EAS) can help you if your most recent studies were negatively affected by circumstances beyond your control.

There are five EAS categories:

CATEGORY	SUMMARY
Financial Hardship	Apply in this category if you reside in Australia and are from a low-income background.
Home Environment and Responsibilities	Apply in this category if your home environment negatively impacted your most recent studies.
English Language Difficulty	Apply in this category if you are a current year 12/bridging student and have experienced profound difficulty communicating in English.
Personal Illness and Disability	Apply in this category if you experience a disability, a severe short-term or long term medical or psychological condition, or difficulty learning.
School Environment	Apply in this category if you are a year 12 with no further study since completion and your school environment negatively impacted your studies.

If you're eligible for EAS, you may receive adjustments that increase your chances of getting an offer. If you're assessed as eligible in the financial hardship category, you may automatically be entitled to financial assistance, such as scholarships or bursaries, from some institutions.

HOW TO APPLY

You can apply for the EAS by selecting your chosen category or categories within your QTAC application. If you decide to apply after submitting your QTAC application, download the required forms from the QTAC website and upload your completed documents at: qtac.edu.au/qtac-documentation-upload.

WHO CAN APPLY

You can apply for the EAS if you are applying for tertiary study through QTAC. You don't have to be currently studying to apply for the EAS, but most EAS categories relate to circumstances that affected your most recent studies.

SUPPORTING DOCUMENTATION

The EAS is an evidence-based scheme. You must provide documentation as evidence of the disadvantage you have experienced. You will receive an email invitation to complete an online EAS application and submit supporting documents. The supporting documentation needed for each EAS category is outlined on the relevant cover sheet.

If you're in Year 12 and are applying for school environment or English language difficulty, you must ask your school to complete the school statement section of the online EAS application.

If you can't provide the documentation, you should submit a statement explaining why. You should also include any alternative documents that may support your case.

You can upload your documents by logging in to your application at applications.qtac.edu.au. Or, visit qtac.edu.au/qtac-documentation-upload and complete the form.

For more information on the EAS Cover Sheets, Frequently Asked Questions, and Case Studies, visit: qtac.edu.au/assistance-schemes/#eas.

INSTITUTION SCHOLARSHIPS AND BURSARIES

If you are assessed as eligible for Financial Hardship you may automatically be entitled to financial assistance, such as scholarships or bursaries, from some institutions. Refer to institution websites for scholarship closing dates:

- **Griffith University Chancellor's Scholarship**
griffith.edu.au/scholarships/scholarship-listings/chancellors-scholarships
- **QUT Q-Step Scheme**
qut.edu.au/study/applying/adjustment-schemes
- **UQ UQ-Link Program**
scholarships.uq.edu.au/scholarship/uq-link-scholarship
- **USC Equity Bursary**
usc.edu.au/study/scholarships/equity-scholarships/unisc-equity-bursary

OFFERS

OFFER ROUNDS

Institutions make offers throughout the year on set dates called offer rounds. To find out what dates your chosen institution is making offers, visit qtac.edu.au/key-info/#qtac-dates.

Refer to QTAC Course Search to determine when your course participates in an offer round. You can only get one offer in an offer round, and this will be for your highest eligible preference.

If you get an offer, we'll notify you by SMS and email. You can then log in to your application at applications.qtac.edu.au to view and respond to your offer.

RESPONDING TO OFFERS

Respond to your offer by the date and time specified on your offer letter so that it does not expire.

To respond to your offer:

- Log in to Application Services.
- Select your response option (You can Accept, Decline, Defer (if deferment is an available choice) or Conditionally Respond).
- Select the offer response again, and confirm your choice.

DEFERMENT

Deferment lets you delay starting your course if you are not ready yet. Usually, you can defer for up to a year, but some institutions allow you to defer for longer. Check with individual institutions for their deferment policies, as some may not permit deferment. To check institution deferment policies, visit qtac.edu.au/key-info/#offer-support.

OFFER EXPIRY

If a response is not received by the date and time specified on your offer letter, your offer will expire. If you receive an offer in a higher preference, any previous offers may also expire. If the offer expires:

- You lose your right to the offer
- You will not be considered for any other courses.

To check if you can reactive an expired offer, visit: qtac.edu.au/key-info/#offer-support.

RESPONSE OPTIONS

Understanding how to respond to an offer is an essential step to securing your offer. Here is a summary of your options below:

RESPONSE	SUMMARY
ACCEPT	I'm happy and ready to enrol Check with the institution for enrolment details and dates
DECLINE	I no longer wish to study By declining your offer outright, you notify QTAC that you no longer wish to study or be considered for any other preferences
DEFER	I'm happy and not ready to enrol yet Rules for course deferral vary, for institution policies visit qtac.edu.au/key-info/#offer-support .
CONDITIONAL RESPONSE	I'd like to be considered for my higher preferences You cannot use conditionally respond to your first preference

KEY DATES

OFFER ROUNDS

For a comprehensive list of offer round dates by institution, visit qtac.edu.au/key-info/#qtac-dates.

COURSES WITH FIXED CLOSING DATES

Some courses have different closing dates to most courses. To avoid missing out on being considered for entry, refer to institution specific information from page 77.

INSTITUTION OPEN DAYS

Refer to institution specific information from page 77 or view upcoming career expo's at qtac.edu.au/events.

YEAR 12, WHAT'S NEXT?

UNI? A CAREER?

YOUR OWN BUSINESS?

The Diploma of Business at Russo Business School gets you there!

Fast-track to uni
Move straight into a 2nd year Bachelor of Business at James Cook University

Job ready
Stand out with proven critical thinking, teamwork & digital literacy and access work through our student placement service – Joblinx

Real-world skills
Marketing, Management, Accounting & more will equip you for business success

No ATAR? No worries
We are a flexible education provider with access to Fee-Help

FEES AND COSTS

MATERIAL COSTS

Material costs include textbooks, stationery, and, depending on your course, equipment like calculators, lab coats, or uniforms.

It's worth shopping around to compare prices on material costs. For example, textbooks are sometimes cheaper online, and you can often buy discounted second-hand textbooks and equipment from campus bookshops.

TRAVEL

Travel costs can include fuel, vehicle maintenance and public transport fares. If you plan to study full-time, you can take advantage of student discounts on public transport. Students in South East Queensland can visit translink.com.au for information on student fares.

Some courses have field trips or professional placements that require you to travel to complete the practical component of your course. In these cases, you may need to pay for fuel or fares, meals and accommodation.

LIVING EXPENSES

Living expenses include meals, groceries, electricity, internet and phone bills, clothing, medical expenses, and entertainment. You can save money on groceries by buying generic or home brand products, shopping at low-cost supermarkets and buying items on special.

Some retailers and websites offer student discounts on fashion, technology, food, entertainment and more.

ACCOMMODATION

If you have to live away from home to study, you'll need to budget for accommodation. Many institutions have on-campus accommodation and services to help students find suitable off-campus accommodation. Accommodation types include residential colleges, student villages, townhouses, apartments, share houses, and homestay. Fees vary depending on the accommodation type. Visit institution websites for information on accommodation options and fees.

BUDGETING

One way to help manage your study costs is by

budgeting. Some institutions' student support services offer budgeting advice, and you can find lots of free budget templates online. For example, the Australian Government's MoneySmart website has a budget planner to help track spending and saving, and tips for living on a student budget. Visit moneysmart.gov.au for more information.

COURSE COSTS

Course fees are different for every course and vary between institutions. You can find information on course fees on institution websites.

PUBLIC UNIVERSITIES

Public universities and some private providers offer Commonwealth supported places (CSPs), whereby the Australian Government subsidises part of the cost of your course fees, and you pay the remainder (i.e. the 'student contribution amount'). The amount you pay varies between providers and courses.

CSPs are only available to domestic students. Visit studyassist.gov.au for more information.

DIRECT APPLICATION INSTITUTIONS

Direct application institutions include registered training organisations (RTOs) and private colleges. Usually, you pay a full fee for studying through a direct application institution. Contact the institution you're interested in for information on their course fees.

TAFE QUEENSLAND

TAFE Queensland course costs depend on several factors, including the type and length of the course you choose, whether you are studying full-time, part-time or online, whether you are eligible for course credits or recognition of prior learning, and whether you are entitled to, concessions, fee exemptions or subsidised training.

TAFE Queensland offers a range of payment options and concessions to eligible students. Visit tafeqld.edu.au/courses/apply-and-enrol/what-it-costs for more information on course fees.

FINANCIAL HELP

Financial help is available to students through the Australian Government and institutions to assist with the costs of study.

HIGHER EDUCATION LOAN PROGRAM (HELP)

The Australian Government's Higher Education Loan Program (HELP) comprises four HELP loan schemes and the VET Student Loans program, which allows students to defer payment of their course fees. To be eligible for a HELP loan, you must be an Australian citizen, New Zealand Special Category Visa holder or permanent humanitarian visa holder. Visit studyassist.gov.au for more information.

INCOME SUPPORT

A variety of Australian Government income support schemes are available to students, including Youth Allowance, Austudy, ABSTUDY, and student start-up loans and scholarships. For more information, visit humanservices.gov.au.

INSTITUTION SCHOLARSHIPS

Most institutions offer scholarships that recognise merit, including academic excellence and sporting achievement, and equity scholarships, which assist regional and rural students, Aboriginal and Torres Strait Islander students, and students from low income backgrounds to access study.

Scholarships can cover a range of costs, from course fees to living and accommodation expenses. Contact the institution you're interested in for information on scholarships.

QTAC FEES 2025/2026 (INC GST)

APPLICATION SUBMISSION FEES

Year 12 early bird	5/8/2025 - 30/9/2025	\$70
Year 12 standard	1/10/2025 - 28/2/2026	\$150
All applicants	1/3/2026 - 31/6/2026	\$120

Part 2: COURSES

COURSE INFORMATION

This diagram shows you how course information is laid out on the following pages:

Course Title		Campus	Course code	Duration	Unadjusted LSR	Adjusted LSR
INSTITUTION NAME						
Bachelor of Creative Arts	Brisbane	112911	3F or 6P	63.00	65.75	
Name of course	Where the course is offered	QTAC code	Lowest Selection Rank (LSR) offer in Semester 1 2025 is the lowest ATAR/Rank required for Semester 1 2025. Refer below for more details.			

COURSE ADMISSIONS INFORMATION

The Courses section of this *Guide* shows the ATAR/selection rank profile for each course, except where the institution has not provided this information.

Full course admissions information is published in Course Search at qtac.edu.au/course-search for every domestic-entry undergraduate course that uses the ATAR/selection rank on its own or as part of the selection process. This provides statistical data for prospective applicants, including the ATAR/selection rank profile and student profile for students previously admitted to the course.

Course Search also includes any course changes made after the *Guide* is published, and additional course details such as fees and professional membership and registration opportunities available to graduates.

MINIMUM ATAR/SELECTION RANK

The minimum ATAR/selection rank column shows the ATAR/selection rank of recent school-leavers who had not previously started a university or VET course (except as part of secondary school) and who got into the course based on their ATAR/selection rank and not based on any other qualification.

The minimum ATAR/selection rank represents the point (at or above) applicants were made an offer for a particular course, subject to meeting all other entry requirements. This was previously referred to as a 'cutoff'. If your ATAR/selection rank is lower than this,

you can still list the course in your preferences. These ranks are to be used as a guide only as they can change year-to-year.

MINIMUM SELECTION THRESHOLD

The minimum selection threshold that appears on QTAC Course Search (where applicable) is the minimum (adjusted) score that was considered for an offer of a place to all applicants in QTAC offer rounds (i.e. not only recent school-leavers selected on ATAR/selection rank).

For more information, visit qtac.edu.au/key-info/#application-requirements.

ICON	FOOTNOTE KEY
☆	All qualified applicants were offered a place
*	See Admissions Criteria on website for more information
*~	This course has assumed knowledge. Refer to Course Search at qtac.edu.au

Discover your career with us

Kickstart Your Future with Wide Bay Hospital and Health Service!

Are you passionate about making a difference in people's lives?
Do you want to turn your passion for helping others into a fulfilling career?

Wide Bay Hospital and Health Service has exciting opportunities waiting for you!

If you're exploring career options and want to make an impact, healthcare offers an exciting, diverse and rewarding career path. From supporting patients to advancing medical research, there's a career for every interest and skill set in healthcare.

Why Choose Us?

Diverse Career Paths: Whether you're interested in healthcare, technology, administration or research, we offer a range of options in nursing, allied health, medical fields and more.

Supportive Learning Environment: As you grow in your studies, we provide mentoring and guidance to help you excel in your chosen career.

Future Opportunities: With ongoing training, development and career progression, your future in healthcare is limitless.

Work-Life Balance: Live and work in beautiful surroundings while making a real difference in the community.

Ready to make your degree count? Whether you're studying medicine, nursing, allied health, or other fields, Wide Bay Hospital and Health Service is here to support your career ambitions with practical experience, professional development, and a dedicated team to support you through Wide Bay's **Nursing and Midwifery Graduate Program** - **Regional Medical Pathway program** in conjunction with the **University of Queensland** - **Allied Health Graduate pathways**.

About Australian Catholic University

An ACU education is grounded in the Catholic understanding of faith and reason working together in the pursuit of knowledge, promotion of human dignity, and advancement of the common good.

We aim to transform lives and communities. Students are challenged to look beyond the classroom, solve real-world problems, develop their own search for meaning and cultivate strong professional ethics. They are invited to stand up for people in need and causes that matter.

Opportunities for personal and professional growth are critical to ACU. This is a university of service – so much so that it is built into the curricula. All ACU courses offer work placements, internships or volunteering opportunities.

High-impact research – with social, cultural and economic benefits – is core to our institution. Our research and enterprise activities develop innovative solutions to issues impacting human dignity and the common good. Through ethically informed research we deliver positive change across ACU, industry, community and government.

We foster academic collaboration and engage with local and international partners to enable the exchange of knowledge and skills and develop dynamic educational and research initiatives. We build healthy social partnerships, assisting communities in actively shaping initiatives that directly impact them.

ACU is a university for everyone. Like all Catholic institutions, the university is inclusive and supportive of everyone, every day – regardless of their faith, tradition or circumstance.

ACU is a young university making a significant impact. Ranked in the top 10 Catholic universities*, we're also a leader in employability with 95 per cent of our graduates employed**. The university has seven campuses around Australia, a campus in Rome, Italy, and an online campus – ACU Online.

* Based on International Federation of Catholic Universities members ranked on Times Higher Education World University Rankings 2025

** Graduate Outcomes Survey – Longitudinal 2023, overall employment for domestic undergraduate students and domestic postgraduate coursework students

The Brisbane Campus

The Brisbane Campus offers programs in allied health; biomedical science; business; creative arts; global studies and international development; humanities and social sciences; information technology; law and criminology; nursing, midwifery and paramedicine; philosophy; sport and exercise science; teaching; and theology.

Transport

Located 12 kilometres from the city centre, it's easy to travel to our Brisbane Campus. Trains and buses stop nearby, and a free ACU shuttle bus connects the campus with Toombul and Chermside. There is also free car parking, and bike racks for cyclists.

Student facilities

Whether you want to get involved in campus life, create a professional network or just find a quiet place to study, our Brisbane Campus has you covered. Set on 40 hectares of parklands, the campus has ample parking, state-of-the-art learning facilities, and places to hang out like a café and a swimming pool. Other on-campus facilities include health and computer labs, an art gallery, library, bookshop, moot court, student lounge, multipurpose sports facility, health clinic, chapel, and ovals and playing fields.

Campus life and support services

We've worked hard to create campus spaces that are relaxed, inviting and fun. And with clubs and societies for everything from photography, to French, to skiing, we're bound to have a group that's right for you.

We also offer a range of support services, including academic skills and career development, counselling, equity and disability advisers, campus ministry and accommodation services. Visit acu.edu.au/support for information.

First Nations people

For Aboriginal and Torres Strait Islander students, Weemala, the Indigenous Higher Education Unit (IHEU) on our Brisbane Campus, offers academic, cultural and social support to all Aboriginal and Torres Strait Islander students.

Flexible undergraduate courses are also available through the Away from Base program, which involves studying via online learning combined with intensive residential blocks twice a semester. If you identify as Aboriginal and/or Torres Strait Islander and are interested in studying with us, please contact us at weemala@acu.edu.au or visit acu.edu.au/indigenoussupport.

Study abroad

Want to study business in Rome? Discover art in New York? Explore health sciences in Vanuatu, or complete an internship in South Korea? Global learning programs can count towards your degree, and with more than 200 partner institutions, you can choose from a huge range of international opportunities.

Gain international learning experience by joining a study tour, completing an internship, doing a semester or short exchange abroad, participating in community engagement or taking our unique international Core Curriculum program.

Global learning programs can be as short as two weeks or as long as a year, and there are generous travel grants and scholarships available, including the prestigious Commonwealth Government funded New Colombo Plan. Visit acu.edu.au/study-overseas for more information.

Scholarships

We know that balancing the cost of living and study can be tricky. That's why we offer around 800 scholarship opportunities that recognise academic achievement and community participation, and help out students from a range of backgrounds.

We offer equity, merit and accommodation scholarships – which can help with costs like fees, textbooks and rent. To provide even more opportunities for our students, we've also developed the Creating Opportunity Fund scholarships. These are designed to support you to achieve your goals, no matter what difficult circumstances you may be

facing. And unlike many equity scholarships, our eligibility criteria are flexible, so we can provide support where it's needed most. Visit acu.edu.au/scholarships for more information.

There's more than one way into ACU

There's no right or wrong way to get into university, so if you don't get the ATAR you need, don't panic. That's why we have pathways. These provide alternative options if you don't get a high enough score, haven't completed the prerequisites or don't meet some other requirement. Visit acu.edu.au/pathways for more information.

CRICOS Provider Code: 00004G | TEQSA: PRV12008

Institution specific information

ABORIGINAL & TORRES STRAIT ISLANDER APPLICANTS

If you identify as Aboriginal or Torres Strait Islander through QTAC, you will not need to provide any separate applications. ACU will get in touch with further steps with getting started on your study journey.

AGE REQUIREMENT

Age 17 or completed Year 12.

ADJUSTMENT FACTORS

ACU caps the overall number of adjustments ranks for all applicants regardless of the combination to a maximum of 12 (12.00) ranks.

EQUITY For students who have faced educational challenges	Educational Access Schemes (EAS) Apply for EAS via QTAC, by submitting a completed coversheet and supporting documentation for assessment purposes. To download the relevant coversheet and find further information, visit qtac.edu.au/assistance-schemes .
ELITE ATHLETE AND PERFORMER For athletes and performers who have achieved success at the state, national, or international level.	Elite Athlete and Performer Program (EAPP) Apply for your ACU course via QTAC. Following this, you will need to gather your supporting documentation and submit an EAPP application form direct to ACU. Refer to acu.edu.au for further information.
LOCATION For students attending schools or living in areas recognised by ACU's programs.	Campus Adjustment School Relationships Adjustment Regional Schools Adjustment Adjustments automatically applied to application if eligible. For further information on eligibility, refer to acu.edu.au .
SUBJECT For students with exceptional achievements in subjects related to their preferred ACU courses.	ACU Subject Program Adjustments automatically applied to application if eligible. For further information on subjects, refer to acu.edu.au .

VETERAN ENTRY PROGRAM

If you are a current or former member of the Australian Defence Force (ADF), or a family member of ADF personnel, you may be eligible for ACU's Veteran Entry Program (VEP). We'll assess your service in the military and convert it to a selection rank, so you can gain entry to an ACU program. Spouses, partners and children of past and present ADF personnel can apply for the VEP family pathway in recognition of the sacrifices you have made to support your loved one's service. Refer to acu.edu.au/veterans for further information.

DEFERMENT POLICY

You must defer when responding to your offer through QTAC, and also submit a request for deferment to Australian Catholic University. You can defer your undergraduate course for up to one year.

OPEN DAYS

Brisbane: 2 August 2025

Refer to openday.acu.edu.au or contact ACU for further information.

For detailed course information, visit qtac.edu.au/courses and filter by **Australian Catholic University**.

BOND UNIVERSITY

POST

Bond University
14 University Dr, Robina Qld 4229 Australia

bond.edu.au/contact
bond.edu.au

PHONE ENQUIRE WEB

At Bond University, you will be welcomed with open arms by students, faculty and an institution just as ambitious as you are. Bond offers a personalised academic environment that produces globally minded, work-ready graduates.

Students are at the heart of everything we do – reflected by our focus on individual attention, close-knit cohort of 'Bondies' and Australia's best student-to-staff ratio of 11:1.

Accelerated programs

At Bond, we operate on a three-semester-per-year timetable that allows students to accelerate their studies, completing the average six-semester bachelor's degree in just two years. This gives Bond graduates a valuable head start in the competitive careers market – permitting them to enter industry and start enacting change sooner.

We offer a range of diploma, undergraduate and postgraduate programs spanning the study areas of actuarial science and data analytics; architecture; business, commerce and entrepreneurship; communication, film and creative media; construction, property and planning; health, biomedical and sports sciences; international relations, politics and arts; law; medicine; project management and innovation; and psychology, criminology and social sciences. Explore our study areas and programs at bond.edu.au/study/our-study-areas.

The Core curriculum and Beyond Bond

Embedded in every undergraduate degree at Bond, our Core curriculum and Beyond Bond program is designed to prepare students not just for a successful career, but to be socially responsible, compassionate and independent leaders.

The Core curriculum consists of three compulsory subjects across critical thinking, collaboration for global change, responsibility and integrity, and Beyond Bond, a professional development program that helps students transition seamlessly from university to the workplace.

Our international community

Bond students come from over 90 countries, and after graduation, may decide to return home, live abroad, or continue to enjoy life in Australia. We are a CRICOS registered provider (00017B) and welcome international

applications for all CRICOS registered programs, with the exception of the Bond Medical Program, which is only accessible to international students via pathway from Bond's Bachelor of Biomedical Science.

Apply direct anytime

We administer our own admission for all programs except the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD) [the Bond Medical Program]. Admission to this course is administered by QTAC.

For all other programs, students can apply directly to Bond through our free, quick-to-complete online application form and receive an offer direct from us if successful. Visit bond.edu.au/apply for more information and to begin your application, or learn more about the Medical Program in the Direct Entry Institutions section of this guide.

A range of criteria may be applied when assessing applicant eligibility for admission to Bond. Our early offer system means that applicants still completing Year 12 can receive conditional entry based on their Year 11 results and first-semester results from Year 12. You can enrol in your program of choice when you receive the minimum required score (as stated in your offer letter) upon completing Year 12. We also recognise a range of other post-secondary qualifications for admission, including the AQF Certificate IV or the successful completion of a semester of a bachelor's degree. If you do not meet the criteria for entry into your preferred program, pathway opportunities may be available. Get in touch with us via bond.edu.au/contact for more information and to speak to someone about your circumstances. If you are an international student, visit bond.edu.au/bond-international for more information on the international application process.

FEE-HELP

FEE-HELP is an interest-free loan from the Australian Government that helps eligible domestic fee-paying students pay their tuition fees, and can be used for undergraduate studies, postgraduate coursework and research. To access FEE-HELP, you must meet a range of criteria including citizenship and residency requirements. More information is available at bond.edu.au/fee-help.

Program fees

Refer to the program entries on QTAC's website for approximate tuition costs.

Fees are subject to change on an annual basis. In addition to the Student Services and Amenities Fee, textbooks, and study materials, your chosen program may also have additional compulsory costs such as uniforms, excursions, or placement fees.

More information on tuition fees and other costs is available at bond.edu.au/fees.

Scholarships

Bond University offers a generous range of full-fee and part-fee scholarships and bursaries to successful applicants. For more information on how to apply for a scholarship and application closing dates, please visit bond.edu.au/scholarships.

Supporting student success

To ensure every student has the adequate resources to thrive throughout their university studies, we offer a range of support services delivered both on campus and remotely.

The Academic Skills Centre offers free consultations and guidance for any student seeking to improve their quality of work and our Career Development Centre supports students and alumni with finding work placements, internships, and professional employment.

Bond University is also committed to providing a culturally safe and supportive learning environment for all students, including Indigenous students. The Nyombil Centre is a hub for First Nations Bondies on campus, providing academic support, guidance, and connection opportunities. These efforts also include a number of scholarships specifically for Indigenous applicants.

CRICOS Provider Code: 00017B | TEQSA: PRV12072

AGE REQUIREMENT

To meet the age requirement for admission into a Bond University program, an applicant must normally be 17 years of age by program commencement date. Applicants under 17 years of age should contact Bond University for further details. Applicants using VET qualifications for entry must be at least 18 years of age by the program commencement date unless: they have completed the Australian Senior Secondary Certificate of Education or equivalent; the admission is more than two years from the completion of an Australian Year 10 or equivalent; or the admission is more than one year from the completion of an Australian Year 11 or equivalent.

DEFERMENT POLICY

Applicants who are offered a place, and who wish to defer their enrolment until a subsequent semester, must apply in writing for consideration by the Admissions Office. The standard maximum deferment period is three semesters.

Applicants are not permitted to defer the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD).

OPEN DAYS

Gold Coast: 26 July, 2025.

Visit bond.edu.au/open-day.

CHC

f /ChristianHeritageCollege

ig @chcuni

td @chc_au

Christian Heritage College (CHC) is located in Brisbane's south-east in the leafy suburb of Carindale, just 10 kilometres from the Brisbane CBD. CHC is a boutique institute of higher education that offers academic excellence with a Christian worldview.

CHC boasts amongst the highest graduate employment rates for education and student satisfaction rates in Queensland and ranks highly in teaching quality and student support (QILT).

Our undergraduate and postgraduate courses in business, education, ministries, human services and counselling offer an integration of faith and technical acumen. You do not need to be a Christian to apply.

Small class sizes, individualised programs and quality one-on-one advice from lecturers both support and encourage students to achieve their best. The atmosphere of inclusion and shared aspirations makes life at CHC a rewarding experience, with many students continuing their association with the CHC community long after they graduate.

CHC forms part of the 92-acre campus with Christian schooling and associated childcare centres onsite. CHC offers plenty of free parking, with public transport available within walking distance, and bicycle and walking paths link the campus to surrounding suburbs.

Application for all undergraduate courses and Master of Teaching courses is made through QTAC. Application for all other courses is made directly to CHC. Entry to undergraduate courses normally requires the completion of Year 12 (or equivalent) and the achievement of a minimum ATAR, but non-ATAR students may be eligible for admission if they achieve a minimum QTAC Selection Rank based on other studies, such as vocational courses. Some courses have additional admission requirements; for example, some counselling and ministry courses require referees, a personal statement and, in some cases, an interview. All admission requirements and entry criteria can be found on the relevant course pages of the CHC website.

Commonwealth support and assistance

CHC has Commonwealth supported places available in its undergraduate and postgraduate initial teacher education courses. If you are an Australian citizen, an eligible New Zealand citizen who is an SCV holder or are the holder or former holder of a Permanent Humanitarian visa, you can access HECS-HELP for your Commonwealth supported place. For all other courses, FEE-HELP is available to Australian citizens, eligible New Zealand citizens who are SCV holders, and holders and former holders of Permanent Humanitarian visas.

Library +

The CHC Library + building is the hub of the CHC community. It holds a significant collection of research materials and is equipped with individual and group study areas, such as seminar rooms and open research spaces, to encourage and support student learning.

Student facilities

Students benefit from free parking, complimentary WiFi, and an onsite IT department offering equipment loans, including laptops. The Rivers Café and tranquil bushland create ideal settings for study, socialising, or relaxation. The air-conditioned Student Common Room provides a comfortable indoor space with kitchen facilities and recreational amenities, including a pool table and large-screen TV. Additionally, the Counselling Centre is available to support student well-being.

Student Life

CHC offers support and activities that foster the community dynamic and nurture the growth of the individual academically, socially and spiritually. The Student Services team provides links to on-campus and community services, including free professional counselling and academic support services.

Whilst CHC does not have on-campus accommodation we can assist students to secure accommodation close to campus.

For further information, email studentservices@chc.edu.au.

Deferment Policy

Deferment may be granted for a period of 6 to 12 months. You must defer when responding to your offer through QTAC as well as submit to CHC a request for deferment by emailing admissions@chc.edu.au.

For more information, contact CHC Admissions on 07 3347 7915.

Open Day

12-2pm, Saturday 16 August 2025.

322 Wecker Road Carindale, best entrance off Scrub Road.

At **CQUniversity Australia**, we believe higher education should be for everyone — no matter your postcode or educational background. That's why we offer a wide range of up-to-date, industry-aligned courses, from TAFE certificates right through to research degrees, online and across our many locations nationally.

Real-world opportunities

We've designed our qualifications alongside industry to prepare you with up-to-date, real-world skills—and have been awarded five stars for employability in the globally-recognised QS Stars Rating System*.

Our award-winning teaching professionals are widely experienced with a practical approach and dedication to continual course improvements.

250+ course options

You can choose from a wide variety of courses from areas including:

- allied health
- business and accounting
- creative, performing and visual arts
- digital media, communication and arts
- education, teaching and childcare
- engineering, built environment and aviation
- English and study pathways
- information systems and technology
- law, criminology and justice
- nursing, paramedicine and health
- psychology, social work and community services
- safety sciences
- science, environment and agriculture
- service industries
- trades.

Excellent graduate outcomes

Providing positive graduate outcomes is our core focus. As one of Australia's leading work-integrated learning institutions, with many outbound mobility programs and close partnerships with industry, our graduates are some of the most sought-after in Australia. In fact, CQUniversity continues to be recognised by The Good Universities Guide[^] as achieving excellent graduate outcomes, receiving a five-star rating for full-time employment rates for undergraduates.

Changemaker campus

We aspire to be the most engaged and connected university in Australia and have a strong focus on social innovation, empowering our students, staff and communities to make a difference through developing novel solutions to

social programs. CQUniversity is recognised as Australia's first and only Changemaker Campus by the global social innovation group Ashoka U.

Study local at CQUniversity

Our seamless approach to education and wide range of online and on-campus training and study options means we have a location and course to suit you. We have the biggest campus footprint across the country, so when you need access, we've got more locations to help you connect. Whether you prefer to learn face-to-face, on campus by attending lectures, tutorials and workshops, or like to study when it suits you, with access to the latest in online learning techniques, you'll get the flexibility, support and access you need to succeed when you study with CQUniversity.

Campuses

CQUniversity has campuses in Adelaide, Brisbane, Bundaberg, Cairns, Emerald, Gladstone, Mackay, Melbourne, Rockhampton, Sydney, and Townsville. We also offer a wide range of online courses with local support available at our Regional University Study Hub partners in many locations across Australia. Visit cqu.edu.au/locations.

Student accommodation

We offer on-campus accommodation options at CQUniversity Mackay and Rockhampton.

CQU Mackay student residences: Canefield College

Boasting modern residential facilities, you can choose between several room options, from individual rooms with ensuite and kitchenette facilities to those with shared kitchen and bathroom facilities. All rooms are individually keyed, air-conditioned and cleaned weekly. Internet access is available in each room, and laundry facilities are available in each block. We have dedicated staff on site 24 hours a day, seven days a week, ready to support you.

CQU Rockhampton student residences: Capricornia College

The student residential facilities at CQUniversity Rockhampton provide accommodation options for up to 350 students. Set in park-like surroundings, the College is an easy walk to all University facilities, including the library and gym. You'll have options to

self-cater or enjoy all meals in the dining hall in a fully catered accommodation package. The facilities are fully maintained and cleaned weekly. All rooms are individually keyed, and the residence has an onsite manager and 24-hour live-in staff.

Visit cqu.edu.au/study/prepare/accommodation.

Student support services

Our commitment to ensuring that quality education is accessible to everyone sees us welcome students from diverse cultural backgrounds, geographic locations and socio-economic contexts and offer dedicated Indigenous student support, study support and student life activities.

Visit cqu.edu.au/study/experience.

Entry pathways

At CQUniversity, our enabling and entry pathway options can help you gain entry into your preferred course. If you've studied a certificate III, IV or diploma, you may meet the minimum selection rank for a wide range of CQU degrees. Applicants who do not meet the entry requirements for their course can apply to study our Skills for Tertiary Education Preparatory Studies (STEPS). STEPS is a free, enabling course that provides a pathway to gain entry into and succeed at university.

Visit cqu.edu.au/pathways.

Important dates

Visit our website for information on important dates, including early closing dates for competitive-based courses, term dates, and other important admission dates at CQUniversity.

Visit cqu.edu.au/apply.

2025 open day sessions

CRICOS Provider Code: 00219C | TEQSA: PRV12073 | RTO Code: 40939

ABORIGINAL & TORRES STRAIT ISLANDER APPLICANTS

Students who identify as Aboriginal and/or Torres Strait Islander origin can access support through the Indigenous Student Advising Specialist team.

AGE REQUIREMENT

Completed Year 12 or turned age 17 by 31 January 2026 for Semester 1, 2026 entry, 1 July 2026 for Semester 2, 2026 entry, 1 November 2026 for Semester 3 2026 entry.

ADJUSTMENT FACTORS

CQU caps the adjustments applied for all applicants regardless of the adjustments to which they are entitled. The maximum adjustment that may be applied is 10 selection ranks (except for the Bachelor of Medical Science (Pathway to Medicine), which has a cap of five (5) selection ranks and the Bachelor of Education courses which do not have any adjustment factors applied).

EQUITY For students who have faced educational challenges.	Prospective students who have experienced difficult circumstances adversely impacting their studies can apply for EAS via QTAC. For further information visit qtac.edu.au/assistance-schemes .
LOCATION	Regional Adjustment Factor Scheme Applicants who currently reside outside an Australian capital city will have adjustments automatically applied through their QTAC application. Eligible applicants will receive two (2) adjustment selection ranks.

EARLY OFFER SCHEME

START UNI NOW (SUN) PROGRAM	SUN is available to Year 10 (Term 3 only), 11 and 12 students to study units from a range of CQU courses. Students gain university experience, QCE credits and may receive credit towards a relevant CQU course. For more information on how to apply visit: cqu.edu.au/study/entry-pathways/start-uni-now .
PRINCIPAL RECOMMENDATION SCHEME	Our Principal's Recommendation Scheme allows Year 12 students to apply for eligible CQU courses based on their high school principal's recommendation rather than ATAR. Applications open 1 August 2025, direct to CQUniversity - visit cqu.edu.au/study/high-school-students/principals-recommendation-scheme .

DEFERMENT POLICY

Many courses allow you to delay the commencement of your studies for a period of up to one year, by enrolling into units in a later term.

The following courses do not permit you to delay the commence of your studies. If you are unable to commence your studies in the Term of offer, you will be required to reapply in the next available intake: Bachelor of Echocardiography and Cardiac Physiology/Graduate Diploma of Echocardiography, Bachelor of Medical Imaging, Bachelor of Medical Science (Pathway to Medicine), Bachelor of Medical Sonography/Graduate Diploma of Medical Sonography, Bachelor of Nutrition / Master of Nutrition and Dietetics, Bachelor of Oral Health, Bachelor of Occupational Therapy (Honours), Bachelor of Paramedic Science, Bachelor of Paramedic Science/Graduate Certificate in Emergency and Disaster Management, Bachelor of Physiotherapy (Honours), Bachelor of Speech Pathology (Honours), Bachelor of Theatre, Diploma of Theatre, Bachelor of Music and Diploma of Music.

For over 25 years, Griffith College has been helping students take their first step into university with confidence. Our diploma programs are designed to offer an ultra-supportive start to higher education, providing all the tools required to thrive at university and beyond.

As a Griffith College student, you will enjoy small, interactive classes and personalised support to strengthen your academic and maths skills. Our dedicated Student Learning Advisors are always on hand with study workshops, assessment consultations and expert guidance to help you reach your goals.

A Griffith College diploma doesn't just open the door to university - it equips students with the experience to excel. Join the 25,000+ Griffith College graduates who have seamlessly transitioned into their dream degrees at Griffith University.

Diploma to degree at Griffith University

Our university-designed diplomas mirror the courses taught in a bachelor's degree, so students can transition to university with experience and confidence. Upon completion of our diploma programs, students receive the same number of credit points as they would in their first year of university study.* A three-year degree requires students to earn 240 credit points; our diplomas provide up to 80 credit points towards this total**.

This means most of our students can progress directly to the second year of their degree at Griffith University.

Griffith College students are welcomed as part of the Griffith University community and enjoy access to university facilities and services, including clubs, societies, and world-class sporting facilities.

Entry requirements (no ATAR needed)

Year 12 graduates are admitted regardless of their ATAR results and ATAR eligibility (i.e., those not on an ATAR pathway can be eligible). Applicants with recent secondary education (in the last five years) receive entry when they have obtained a Queensland Certificate of Education (QCE), or equivalent from another state/territory or a certificate III or higher.

Preference the diploma to bachelor pathway in your application and receive an offer to move directly to university on successful completion of your diploma*.

Fast facts

- Guaranteed entry to Griffith University* with one packaged offer that covers diploma and bachelor study.
- Small class sizes and extra contact time with teaching staff.
- Study skills workshops and assessment consultations with Student Learning Advisors.
- Additional maths support for STEM programs.
- Access to Griffith University services and facilities.
- A flexible trimester calendar with courses beginning in March, July and October every year.
- Two campus options — Brisbane City or the Gold Coast.

Study areas

We offer 11 diploma programs that provide pathways into over 75 bachelor degree options at Griffith University:

- Business
- Criminology and Criminal Justice
- Design
- Educational Studies
- Engineering Health Care (Nursing)
- Health Sciences
- International Tourism and Hotel Management
- Information Technology
- Science
- Social and Psychological Science

Academic support

Our comprehensive learning support framework provides students with the best opportunity to succeed.

- Lecturer consultation
- Maths support with embedded modules "Core Maths Skills"
- Study skills and time management workshops
- Assignment help
- Peer-assisted learning

Institution specific information

For 50 years, Griffith University has been providing a world-class education designed to help our students thrive professionally and personally long after they graduate.

Ranked in the top 2 per cent of universities worldwide, we deliver forward-thinking degrees that provide the skills and ethical grounding you'll need for today's rapidly evolving world.

We believe education is for everyone—and that your high school results aren't the only indicator of your abilities and potential. That's why we offer a range of admission pathways to study with us, including through bridging courses, undergraduate diplomas, vocational education and training (VET) qualifications and more.

Industry experience

During your degree, you may be able to explore a range of valuable opportunities made possible through our rich and varied industry partnerships. Access world-class experiences and rewarding careers through our range of work-integrated learning opportunities — placements, internships and projects—to expand your network and your horizons and even help you gain credit towards your degree.

Flexible study options

We have degrees starting in March, July and November, giving you more choice over when to start your Griffith journey. Whether you prefer to study on campus, online or through a little bit of both, full-time or part-time, over two or three trimesters, we've got study options for you.

Scholarships

We offer a range of scholarships based on factors including background, chosen study area, personal circumstances and academic and professional achievements. Applying is simple and you can submit just one application for multiple scholarships. Visit griffith.edu.au/scholarships.

Guaranteed Admission Scheme

Our guaranteed admission schemes include our Year 12 Early Offer Guarantee, ATAR/Rank Guarantee, Griffith University Head Start Guarantee and VET Guarantee (for those who have completed an AQF Certificate III or above). Depending on your study choices, you may be eligible for guaranteed admission into one of a range of our undergraduate degrees. The Year 12 Early Offer Guarantee offers school leavers guaranteed admission to 100+ degrees based on their secondary results and VET qualifications. Visit griffith.edu.au/guaranteed-admission.

VET pathways

We recognise vocational education and training (VET) as a highly effective pathway to our university. We accept standalone VET qualifications completed at high school, private providers, and TAFE institutes. Visit griffith.edu.au/vet.

Adjustment factors

Our adjustment factors can help you get into your preferred degree by considering your circumstances as well as your academic results. These include the Year 12 Subject Adjustment, Gold Coast and Logan Priority Access, Brisbane Community Engagement, Educational Access Scheme, Elite Athlete Support and Bachelor of Medical Science adjustments. You can easily check your available adjustments using our adjustment calculator at griffith.edu.au/study/adjustment-calculator. Visit griffith.edu.au/adjustment-factors.

Undergraduate diplomas

Undergraduate diplomas provide a supported start to your university studies and help you to transition to your chosen degree. Once you've successfully completed the diploma, you'll be offered guaranteed entry into the second year of the corresponding bachelor degree. You'll undertake your first year of study alongside your peers and finish your studies in the same amount of time, at no extra cost. Visit griffith.edu.au/undergraduate-diplomas.

Griffith Sports College

Griffith is proud to be the No. 1 university for elite athlete support nationally, with the highest number of student athletes of any Australian university at the 2024 Paris Olympics and Paralympics, the 2020 Tokyo Olympics and Paralympics, as well as the 2022 Commonwealth Games in Birmingham. Through the Griffith Sports College, you can access support to help balance the high demands of elite sport with your university studies. Visit griffith.edu.au/griffith-sports-college.

Griffith University Student Academy of Excellence

If you're a high-achieving student keen to enhance your university experience through mentoring, leadership roles, volunteering, research and community engagement activities, the Griffith University Student Academy of Excellence can help you reach your full potential. Visit griffith.edu.au/student-academy-excellence.

GUMURRII Student Success Unit

With dedicated centres on each campus, our GUMURRII Student Success Unit offers safe and culturally appropriate learning opportunities for all First Peoples students. Visit griffith.edu.au/gumurrii.

Campuses

Gold Coast

Centrally located in Southport and just minutes from world-famous beaches, the Gold Coast campus is Griffith's largest. It is home to world-class teaching and research in almost all study areas, as well as state-of-the-art facilities including the Griffith Health Centre, aquatic centre and athletics track.

Brisbane South (Nathan)

Our first campus, Nathan is home to world-class teaching and research

facilities, including internationally recognised institutes, cutting-edge VR labs and experiential learning spaces.

Brisbane City (South Bank)

Located within Brisbane's cultural heart, the South Bank campus encompasses the Queensland College of Art and Design, one of Australia's oldest and most advanced fine art and design colleges; the Griffith Film School— Australia's largest; and the Queensland Conservatorium, one of Australia's leading music schools.

Logan

Nestled between Brisbane and the Gold Coast and based in one of Australia's fastest-growing cities, Logan campus is our home of community-focused education, hosting numerous sporting and cultural events throughout the year.

Student accommodation

Living on campus provides the opportunity to join a diverse international community, access university facilities and academic support, and make lifelong friends. Choose to live on campus at Nathan or Gold Coast or we can also help you find a place to call home through our preferred accommodation partners. Visit griffith.edu.au/accommodation.

Student support

We offer a range of services to ensure you are supported in every aspect of your studies and help you build the confidence you need to succeed in your degree. You'll have access to personal support including counselling; job search and career development; health, financial and chaplaincy services; and specialised services for students living with disability or disadvantage. Visit griffith.edu.au/student-services. International students should visit griffith.edu.au/international.

Institution specific information

AGE REQUIREMENT

Completed Year 12 or turned age 17 by 1 March 2026 for trimester 1, 2026, 1 July 2026 for trimester 2, 2026 or 1 November 2026 for trimester 3, 2026. Domestic applicants under age 17 will not be considered for entry to Griffith programs unless they have completed Year 12 or an AQF Certificate III (or higher) qualification, and all admission requirements. Applicants under age 16 should contact Griffith for further details.

ADJUSTMENT FACTORS

Griffith's adjustment factors can help you get into your preferred degree by considering your circumstances as well as your academic results. You may be able to receive an adjustment to your ATAR or rank from secondary studies to improve your chances. The maximum total adjustments that you can receive under all pathways is eight (8.00) ranks and most adjustments are automatically applied to your ATAR or selection rank.

Check your available adjustments with our handy online calculator and make your study choices with confidence. Exclusions apply. Please visit griffith.edu.au/adjustment-factors for further details.

EQUITY For students who have faced educational challenges	<ul style="list-style-type: none"> • Educational Access Scheme (EAS) If you've experienced difficult circumstances that have negatively impacted your studies, the Educational Access Scheme (EAS) can help you get into your preferred degree. If you are eligible for the EAS, you may receive adjustments that improve your chances of getting an offer. Visit qtac.edu.au/assistance-schemes
ELITE ATHLETE For athletes who have achieved success at the state, national, or international level.	<ul style="list-style-type: none"> • Elite Athlete Adjustment Scheme Apply for your GU courses via QTAC. Following this, you will need to gather your supporting documentation, download and complete the Elite Athlete Adjustment Scheme application form and upload it to your QTAC application. For further information on eligibility, visit griffith.edu.au/adjustment-factors
LOCATION For students attending schools or living in areas recognised by GU's schemes.	<ul style="list-style-type: none"> • Gold Coast and Logan Priority Access • Brisbane Community Engagement Adjustments automatically applied to application if eligible. For further information on eligibility, visit griffith.edu.au/adjustment-factors
SUBJECT For students who successfully completed certain subjects	<ul style="list-style-type: none"> • Year 12 Subject adjustment Adjustments automatically applied to application if eligible. For further information on eligibility, visit griffith.edu.au/adjustment-factors
INCREMENTAL For students based on EAS, location and rurality.	<ul style="list-style-type: none"> • Bachelor of Medical Science For further information on eligibility, visit griffith.edu.au/adjustment-factors

EARLY OFFER SCHEME

To give you certainty about your future, we've developed a way for you to receive an offer to study at Griffith before you receive your ATAR or IB diploma results. We also make early offers to students who are completing a VET qualification in the year prior to starting uni or have successfully completed a Griffith Head Start program. Under this scheme, offers will be issued from September through November – so you can relax and enjoy your break before you start your next chapter at university. To be considered, simply list one of the eligible degrees on your QTAC application. As soon as you submit your documentation, you'll be considered in one of our early offer rounds in September, October and November. For more information, including key dates and other details, visit griffith.edu.au/early-offer.

DEFERMENT POLICY

Griffith allows applicants who receive an offer to most of the university's undergraduate programs, to defer the commencement of their study in that program. Applicants are placed on a one year deferment initially. Applicants who wish to shorten their deferment, provided their program allows, should email deferred@griffith.edu.au. Deferral must not exceed one year.

Deferment is not available for all programs. Applicants who defer an offer outright are not eligible to be considered for any other preferences. If an applicant wishes to apply for other programs, including Griffith University programs, then they must conditionally defer and reorder their QTAC preferences. An applicant's deferred place may be withdrawn if they subsequently receive an additional offer or are excluded from another tertiary institution; or apply for other programs through QTAC. For more information on Griffith deferment processes, including exclusions, please visit griffith.edu.au/defer.

ABORIGINAL & TORRES STRAIT ISLANDER APPLICANTS

If you identify as Aboriginal or Torres Strait Islander and do not meet the admission criteria, you may be invited to participate in the First Peoples Admission pathway. Visit griffith.edu.au/gumurrii/apply-to-study for details.

FIXED CLOSING DATE

Queensland Conservatorium

- Bachelor of Acting
- Bachelor of Music
- Diploma of Music/Bachelor of Music

Applicants for these programs must apply to QTAC, pay their audition fee and submit their phase one video recorded audition and performance CV or Folio and Artistic Statement to Griffith University by 29 August 2025 to be guaranteed an audition in the first audition round. Applicants who wish to apply after this date may be considered in subsequent audition and offer rounds should places still be available. Late applicants should refer to the Auditions website for information.

Queensland Academy of Excellence in Musical Theatre

- Bachelor of Musical Theatre

Applicants must apply to QTAC, pay their audition fee and submit their phase one video recorded audition and performance CV or Folio and Artistic Statement to Griffith University by 29 August 2025 to be guaranteed an audition in the first audition round. Applicants who wish to apply after this date may be considered in subsequent audition and offer rounds should places still be available. Late applicants should refer to the Auditions website for information

Queensland College of Art and Design

- Bachelor of Design
- Bachelor of Design/Bachelor of Business
- Bachelor of Visual Arts
- Bachelor of Visual Arts/Bachelor of Business

To be considered for portfolio admission, applicants must apply to QTAC, pay the portfolio fee and submit their portfolio to Griffith University by 5 September 2025. Applicants will still be able to apply after this date and be considered for ATAR/Rank admission.

Griffith Film School

- Bachelor of Animation
- Bachelor of Film and Screen Media Production
- Bachelor of Game Design and Production

To be considered via portfolio admission, applicants must apply to QTAC, pay the portfolio fee and submit their portfolio to Griffith University by 3 October 2025. Applicants will still be able to apply after this date and be considered for ATAR/Rank admission.

Griffith Health

- Bachelor of Dental Health Science

Applications close 30 September 2025. After this date, no new applicants can apply for this program, but existing applicants can reorder this preference. Griffith University will commence making offers for this program in the main January offer round.

- Bachelor of Clinical Exercise Physiology (standard pathway)
- Bachelor of Dental Hygiene
- Bachelor of Medical Science
- Bachelor of Midwifery
- Bachelor of Occupational Therapy (Honours)
- Bachelor of Paramedicine
- Bachelor of Physiotherapy (Honours)

Applications for these programs close 29 December 2025. Applicants may add these programs to their preferences until this date, however no guarantee is given that these applications will be assessed in time for the January offer round.

After 29 December 2025, no new applicants can apply for these programs, but existing applicants can reorder preferences. New applications lodged after 8 December 2025 for these programs, may not be assessed in time for the January offer round.

Griffith University will commence making offers for these programs in the main December offer round, excluding Bachelor of Medical Science, which will commence offering in the main January round. Late offers after the January offer round will only be made if places remain in the program.

For detailed course information, visit qtac.edu.au/courses and filter by Griffith University.

CREATIVE ARTS OPEN DAY:

Brisbane City (South Bank): 18 May 2025.

OPEN DAY:

Brisbane South (Nathan) and Gold Coast: 10 August 2025.

Refer to griffith.edu.au/open-day and griffith.edu.au/creative-arts-open-day or contact Griffith University for further information.

James Cook University creates a brighter future for life in the Tropics and beyond, through education and research that makes a difference locally and globally. As a JCU student, you'll be equipped with the knowledge, skills and experience to make a positive impact in urban, regional, rural and remote communities.

Ranked in the top 2% of universities worldwide* we are focused on addressing the critical challenges facing the Tropics. Inspired by a research-rich environment, the significance of our endeavours is recognised globally by the most credible world university rankings providers. Our strong performance is assessed on quality, relevance and impact.

More than 21,000 students, including 6,600 international students, have chosen JCU for our career-focused courses, engaging student life and caring support services.

Throughout your degree, you'll develop professional skills and gain in-depth knowledge through a wide range of practical, hands-on learning experiences. Small class sizes provide personal access to lecturers and researchers, ensuring you have all the support you need to succeed.

Study areas

JCU's comprehensive range of pathway, undergraduate and postgraduate courses include:

- Arts and Creativity
- Business, Law, Finance and Marketing
- Education and Teaching
- Engineering and IT
- Environment and Global Development
- Health, Medicine, and Dentistry
- Science, Marine Biology and Marine Science
- Nursing and Midwifery
- Social Work, Psychology, Humanities and Social Sciences
- Veterinary and Animal Sciences

Ready today for tomorrow

JCU offers a range of flexible study options available across main campuses in Brisbane, Cairns, Singapore and Townsville. Options are also available to study at our campuses in Mackay, Mount Isa, Rockhampton and Thursday Island.

JCU Cairns, Nguma-bada campus, Smithfield and JCU Townsville, Bebegu Yumba campus, Douglas offer access to spectacular natural wonders, including the Great Barrier Reef, Daintree Rainforest and the Outback. You'll get to dive into hands-on learning, placements and projects in some of the most fascinating locations on Earth. You could travel to remote communities in a light aircraft, learn in our Classroom on the Reef or conduct research in the rainforest with the richest biodiversity in Australia.

With a picturesque river precinct and an array of cultural and entertainment options, Brisbane is regarded as one of the most liveable cities in the world. JCU Brisbane students receive a world-class education in Australia's fastest growing capital city for employment.

A constantly evolving city, Singapore is at the forefront of global health, technology and economic advancement. JCU Singapore boasts cutting-edge facilities, collaborative learning spaces and internationally renowned lecturers to help you succeed every step of the way.

Why JCU?

A five-star experience

We are independently rated five stars for full-time employment, graduate starting salary, and student-teacher ratio for undergraduate and postgraduate students**. Excel in your studies and future career through the support of academics and staff committed to student success.

This is Uni... but not as you know it

Field trips, clinical placements, practicums, and internships — no matter what you study, JCU provides opportunities to build your job-ready knowledge and skills base. Gain hands-on experience in Outback cattle stations, remote health clinics, the heart of the Daintree Rainforest or the depths of the Great Barrier Reef.

Kickstart your career through study incorporated with real-world practice. JCU prioritises practical experience and our academics maintain strong industry links that provide you with extensive placement opportunities. You'll gain valuable work experience and build a network of leading industry professionals in your field.

Student accommodation

You can choose from a variety of on-campus and off-campus housing. JCU Townsville offers five on-campus accommodation options for up to 1,200 students. The John Grey Hall provides Cairns students with accommodation that has spaces dedicated to both study and recreational activities.

Visit jcu.edu.au/accommodation to discover more.

Support to succeed

Explore the range of financial support available to JCU students. Scholarships, bursaries, and grants are offered to assist financially, and we have a variety of options for students starting their first degree at JCU. Find out more at jcu.edu.au/scholarships.

Indigenous Education and Research Centre

The team at the Indigenous Education and Research Centre (IERC) are here to support you from the time you start thinking about studying right through to graduation and beyond. The IERC offers a range of services and facilities in encouraging environments to empower you to achieve success. From academic coaching and free tutoring to informal gatherings and community events, the staff and Indigenous Student Support Advisors at the IERC offer help that you can rely on.

Creative Industries Education

JMC Academy is where passion meets profession. With degrees and diplomas in Acting, Animation, Audio Engineering, Entertainment Business Management, Film and TV Production, Game Design, and Music, we help creative minds turn ideas into careers. With campuses in Brisbane, Melbourne, and Sydney, you'll study in inspired spaces designed for hands-on learning.

Industry-Aligned Learning

We don't just teach theory; we live and breathe creativity. Our courses are designed by industry, so you'll graduate with the skills, experience, and connections you need to be job ready when you graduate. Expect project-based learning, collaboration with peers across disciplines, and access to cutting-edge technology from day one.

Our Campuses

JMC Academy's campuses are based in Brisbane, Melbourne, and Sydney, right in the heart of vibrant creative districts packed with studios, live music, theaters, cultural venues, public transport and student accommodation. At JMC, your classroom is a professional creative space. You'll get hands-on with recording studios, post-production suites, animation labs, film and TV studios, an on-campus auditorium and partnerships with Australia's leading live entertainment venues. Explore our campuses, book a tour today.

myjmc.au/campustour

Real-World Experience

Internships and industry placements are a core part of your JMC journey. Whether it's working on major music festivals like BIGSOUND and Laneway Festival, collaborating with QMusic, gaining hands-on experience in recording studios, or joining creative agencies, we'll connect you with real-world opportunities to build your portfolio and network before you graduate.

Meet our graduates and explore their creative careers at jmcacademy.edu.au/alumni.

Entry Requirements

Creativity has no limits, and neither should you. At JMC Academy, we don't base admissions on ATAR scores, we look at the whole person. Your passion, talent, and commitment to the creative industries matter most, alongside your goals and how we can help bring them to life.

For more details about the application process and entry requirements, visit jmcacademy.edu.au. Financial assistance

JMC Academy offers FEE-HELP for eligible students to cover all or part of their tuition fees. Visit the StudyAssist website or contact JMC for more details.

Supporting You

Studying at JMC means you're never on your own. Whether you need academic guidance, career advice, or a little extra support, we've got you. Our student support services include:

Wellbeing and Mental Health Support – Your wellbeing matters. JMC offers free, confidential counseling services, plus 24/7 access to TalkCampus, a global peer support network.

Learning Support – JMC's Learning Support Officers assist students with dedicated support plans for medical conditions, disabilities, or learning difficulties. They work closely with you and your lecturers to provide tailored academic support during your time at JMC.

Academic Support – Our team is here to help with everything from essay writing and referencing to time management and study strategies to help your studies stay on track.

@qutrealworld

QUT will set you up with the skills, knowledge and connections to help you find your version of success.

Real-world courses

Study a course that gives you real experience alongside the theory so you can face the future with confidence. At QUT you'll use industry-standard equipment in labs and clinics. Work on real projects. Undertake work experience and make connections with employers. Bring your ideas to life by developing your entrepreneurial mindset and practice.

We offer more than 220 degrees in architecture and built environment, business, communication, creative arts, design, engineering, health, information technology and games, justice, law, mathematics and data science, science, and teaching and education. You can study on campus or choose an online course. Our wide range of double degrees, including vertical double degrees with master qualifications, gives you greater variety in your study and a competitive advantage in your career. If you're looking for a pathway option, consider a QUT College diploma for guaranteed entry to several of our degrees.

Introducing QUT You—our innovative new curriculum launched in 2025. You'll be immersed in new ideas, engage with students across different courses, and develop the key capabilities that industry leaders and employers say are essential for future success. Visit qut.edu.au/study/qut-you.

Your QUT qualification will be well regarded in Australia and around the globe. We are ranked third in Australia and equal 17th in the world. (Times Higher Education Young Universities Rankings 2024).

Two inner-city campuses

Our Gardens Point and Kelvin Grove campuses offer you high-quality facilities in central Brisbane with easy access to public transport.

Inspiring learning spaces include the QUT Centre for Robotics, Creative Industries Precinct and Education Precinct. Experience state-of-the-art labs for everything from biomechanics and immunology to biofuels and supermolecular chemistry. Depending on your study area, you'll have access to the QUT Law Moot Court, the Economics and Finance Bloomberg Lab, and the QUT Health Clinics where our students work with real patients under the supervision of health professionals.

Your student experience

Study in a culturally diverse and inclusive environment with opportunities to build lifelong connections. Choose from more than 120 clubs and societies or get involved in events such as TEDxQUT and the Dragon Boat Regatta. Participate in competitive or social sport, including esports. Gain skills for the future through volunteering, peer programs and leadership opportunities.

Scholarship opportunities

We offer many scholarships for students including academic or creative high achievers, elite athletes, budding entrepreneurs, and students from a low-income background, or who identify as Aboriginal or Torres Strait Islander, or are studying a particular course. Visit qut.edu.au/scholarships.

Regional and remote students

Study in a way that suits you. If you move to Brisbane we have an accommodation service and database to help find the right

place for you. If you'd prefer to stay local and study online you can choose from our fully or partially online courses to give you the flexibility you need. QUT has a Regional and Remote Student Access Scheme to provide an adjustment to your ATAR/selection rank, and scholarships to support regional and remote students. Visit qut.edu.au/regional-and-remote.

Match My Skills quiz

Our Match My Skills quiz gives you a personalised recommendation of study options by matching your personality, interests and goals to our course offerings. Find a course that suits you. Visit qut.edu.au/match-my-skills.

TEQSA PRV12079 | CRICOS 00213J

ABORIGINAL & TORRES STRAIT ISLANDER APPLICANTS

The Oodgeroo Unit offers the Centralised Assessment and Selection Program, a culturally supportive admissions pathway for Australian Aboriginal and Torres Strait Islander people. We also provide tutoring and cultural support. Visit qut.edu.au/about/oodgeroo.

AGE REQUIREMENT

16 years old at the first census date of QUT study, plus obtained an ATAR or completed Year 12. If you have not obtained an ATAR or completed Year 12, you will be considered for entry when you are at least 18 years old by the first census date of your QUT study, and you have achieved studies or work experience acceptable to QUT, such as:

- a completed Certificate III or higher qualification
- studied at least 0.25 year of degree (or higher study)
- have at least 0.5 year full-time (or equivalent part-time) work experience
- performing arts qualifications.

ADJUSTMENT FACTORS

You may be eligible for an adjustment to your selection rank or ATAR through a number of adjustments schemes, making you more competitive for a course offer. You can apply for as many adjustments as you're eligible for, up to a maximum of 10.00 ATAR or selection ranks across all schemes.

SCHEMES - ADJUSTMENTS*

Educational Access Scheme - Up to 6.00 selection ranks to your ATAR or selection rank for each category. The maximum adjustment you can receive if you apply for multiple categories is either: 8.00 selection ranks; or 10.00 selection ranks if you also qualify for financial hardship (Q-Step).

REGIONAL AND REMOTE STUDENT ACCESS SCHEME	2.00 selection ranks to your ATAR or selection rank.
PRIORITY SCHOOL ADJUSTMENT SCHEME	2.00 to 4.00 selection ranks to your ATAR or selection rank.
ELITE ATHLETE ENTRY SCHEME	Up to 6.00 selection ranks depending on your level of sporting competition.
YEAR 12 SUBJECT SCHEME	Up to 8.00 selection ranks to your ATAR or International Baccalaureate Diploma selection rank.
FIRST GENERATION ADJUSTMENT SCHEME	2.00 selection ranks to your ATAR or selection rank

* Adjustments are subject to eligibility and some course exclusions apply.

Visit qut.edu.au/study/applying/adjustment-schemes

EARLY OFFER SCHEME

Gain more certainty about your future with a QUT course offer on the last day of Year 12 based on subject results or VET diploma. More than 80 single and double degrees are included. Check eligibility and key dates at qut.edu.au/study/early-offer.

DEFERMENT POLICY

Applicants are eligible for deferment except for courses with audition, interview, portfolio and/or questionnaire additional entry requirements; some courses with prior study requirements (e.g. graduate teaching); and courses that are not offered in the following year or for which entry requirements are changing.

FIXED CLOSING DATE

Apply to QTAC and register for an audition with QUT by 5pm Tuesday, 7 October 2025 (Brisbane time):

- Bachelor of Creative Arts (Acting)

OPEN DAYS

Gardens Point and Kelvin Grove: 27 July 2025.

Visit qut.edu.au/open-day.

Refer to qut.edu.au or contact QUT for further information.

 @saeaustralia

For almost 50 years, SAE University College has earned a strong reputation in education and creative media for delivering skills and knowledge in a practical environment, with industry connections and real-world opportunities.

As the only University College delivering creative and technology courses nationwide, our courses are locally accredited and internationally recognised, unlocking global opportunities for SAE graduates. Guided by industry professionals, their hands-on approach ensures a comprehensive learning experience at our modern campuses around Australia. Plus, our University College status gives students a competitive edge, backed by strong industry relationships and a reputation for producing confident, competent graduates.

SAE delivers diploma, bachelor and postgraduate degree programs in: Animation; Audio; Creative Industries; Design; Film; Games; and Music. And fast-tracked learning pathways mean graduates can be on their way to their dream job sooner. SAE also holds self-accrediting authority from Australian regulator TEQSA, with course content structured to align with current local and global industry practices. It includes intensive training in world-class facilities with cutting-edge equipment and software, as well as embedded industry-based work placements and internships.

State-of-the-art facilities, expert teaching staff with current experience and small class sizes provide students with an unparalleled creative media learning environment.

With six campuses across Australia – in Sydney, Adelaide, Brisbane, Byron Bay, Melbourne, and Perth – students share the same curriculum, enabling them to connect and work with more of their peers, and even study interstate. SAE also offers online and blended learning, and has a global network of 12,500 students annually across 47 campuses in 20 countries.

SAE's relationships and connections enables students to engage in collaborative multidiscipline real-world projects. This ensures students hone their technical knowledge and analytical skills while developing their creativity, and assist in employment pathways.

Entry requirements

At SAE we consider your creative potential and commitment to the Creative Industries, not just your academic history. This is why you don't need a minimum ATAR to study with us.

Visit sae.edu.au/how-to-apply/domestic-entry-requirements for more information on entry requirements.

Student support services

SAE has a range of services to support students during their studies. The Student Services team assists with learning support, administration support and student wellbeing, as well as supporting students with disabilities.

Payment options

SAE offers flexible payment options including payment plans, as well as access to FEE-HELP and the Scholarships Program.

Facilities

Located in Brisbane's creative hub in West End, the campus facilities include:

- Six large digital and analog recording studios
- Five live recording rooms
- Premium Consoles: SSL AWS 900 SE+, Audient ASP8024, Audient ASP4816
- AVID S6 (Post Production Suite) - the latest in high-end control surface technology and our most recent acquisition. The studio is configured

as a state-of-the-art multi-purpose

- Setup for 5.1 surround sound film mixing.
- Industry-standard Cyclorama film studio
- Large multi-purpose soundstage
- Film theatre with cinema seating
- Oculus Rift, Quests and HTC Vive virtual reality headsets

Student Learning Centre

Industry standard animation and design equipment including DSLR Cameras & Wacom graphics tablets

On-campus café

Visit sae.edu.au/campuses/brisbane for more information about the facilities.

Early entry program

SAE offers an early entry program that allows Year 12 students to apply for their tertiary studies with SAE before the final school results are released.

For more information about the early entry program, visit sae.edu.au/how-to-apply/early-entry-program.

Find out more about SAE

If you're keen to kick-start your creative career, find out more at sae.edu.au.

d @southerncrossuniversity

At Southern Cross University, we are driven by a clear purpose: to change lives through revolutionary learning and research with real impact. Our game-changing education model is focused on active, immersive learning and increased student success with an innovative calendar of six-week terms.

The University is world-ranked, with outstanding facilities located in stunning natural environments. Established in 1994, Southern Cross University has three main campuses in the Northern Rivers, the Gold Coast and Coffs Harbour. The University's Hotel School operates in Sydney, Melbourne and Brisbane. Branch campuses also operate in Sydney, Melbourne and Perth.

Gold Coast campus

Our Gold Coast campus is located at Coolangatta on Yugambah Country, just 400 metres from beautiful North Kirra Beach. The campus is spread across three multi-level buildings that house innovative learning spaces, health science laboratories, computer labs, student lounges, the University's Digital Enterprise Lab and an on-campus Health Clinic.

At the Gold Coast campus you can study: Business, Conveyancing, Education, Engineering, Nursing, Medical Laboratory Science, Midwifery, Biomedical Science, Clinical Exercise Physiology, Counselling, Osteopathy, Psychology, Occupational Therapy, Speech Pathology, Sport and Exercise Science, Naturopathy, Information Technology, Law, Social Work and Community Welfare.

Northern Rivers campus

Lismore is the foundation Southern Cross campus, located on Bundjalung Country in the Northern Rivers. Set on acres of lush rainforest that includes a koala hospital, the Northern Rivers campus is within easy reach of beautiful national parks and beaches at Byron Bay, Lennox Head and Ballina.

The campus has state-of-the-art engineering and environmental science facilities, specialist health labs and simulated hospital wards, a Learning Centre and library complex, on-campus accommodation, a gym, heated pool and an on-campus Health Clinic.

At the Lismore campus you can study: Business, Clinical Exercise Physiology,

Education, Engineering, Nursing, Naturopathy, Sport and Exercise Science, Indigenous Knowledge, Science, Environment, Agriculture and Veterinary Technology.

Coffs Harbour campus

Our Coffs Harbour campus on Gumbaynggirr Country is part of an innovation hub, within easy reach of the ocean, international sporting facilities and a regional airport. An advanced Health Sciences Building features a biomechanics running track and high-tech simulation teaching laboratories, surrounded by extensive green spaces and sporting fields. The campus has on-campus accommodation and a gym, library and student lounges.

The University's National Marine Science Centre is also located in Coffs Harbour, on the shores of the Solitary Islands Marine Park, and is one of Australia's leading facilities for marine science teaching and research.

At the Coffs Harbour campus you can study: Marine Science, Education, Counselling, Nursing, Midwifery, Clinical Exercise Physiology, Physiotherapy, Sport and Exercise Science, Psychology, Occupational Therapy, and Speech Pathology.

Key dates

Orientation: February, June, October 2026

Teaching starts: March, July, October 2026

Open Days:

Northern Rivers 17 August 2025;
Coffs Harbour 10 August 2025;
Gold Coast 24 August 2025.
discover.scu.edu.au.

For more information on key dates, visit scu.edu.au/teachingcalendar.

Courses with special entry procedures/ tertiary prerequisites

All Southern Cross University undergraduate education courses require applicants to complete a non-academic requirements statement as part of their application, visit qtac.edu.au/teacher-entry. For those wanting to teach in New South Wales, visit scu.edu.au/education/non-academic-requirements.

Online study

Southern Cross offers many courses online through direct application. Visit scu.edu.au/online.

Aboriginal and Torres Strait Islander

Indigenous Australian applicants who believe they may not meet the usual admission requirements are invited to a testing and assessment program for consideration for admission to their preferred course. For information, contact Indigenous Australian Student Services (IASS) by email at iass@scu.edu.au or phone 1800 626 481.

Recognition of prior learning

There are a variety of reasons prospective students could gain credit towards their study, including recognition of prior learning and industry experience. Southern Cross University recognises qualifications from TAFE institutes and other educational providers in formal agreements that grant advanced standing towards a number of courses. Visit scu.edu.au/advancedstanding.

Institution specific information

AGE REQUIREMENT

Applicants who are under 18 years of age as at 1 March 2026 for Term 1 and 2, 2026 and who do not have a completed Year 12 qualification may only be considered for admission if their qualifications and level of attainment are acceptable to the relevant Associate Dean (Education).

EARLY OFFER SCHEME

For SCU's principals recommendation scheme, visit scu.edu.au/early-offer.

DEFERMENT POLICY

You must defer when responding to your offer through QTAC, and also submit a request for deferment to Southern Cross University. Deferment may be granted for a period of 12 months.

For detailed course information, visit qtac.edu.au/courses and filter by **Southern Cross University**.

Facilities

Discipline-specific facilities vary at each campus. General student facilities also vary at each campus but may include food outlets, bookshops, gymnasium and sporting facilities, swimming pool, health clinic, and banking facilities. Visit scu.edu.au/campuses.

Student accommodation

All the University's campuses provide a list of off-campus accommodation available in their area. There are on-campus residential colleges at both Lismore and Coffs Harbour campuses. For details, visit scu.edu.au/accommodation.

Student support services

Academic support is available to all students through individual or small group appointments, workshops and online resources. Students can access a range of other supports include mentoring, career advice, counselling services and other health services. Free and confidential support services are available for students with a disability. The University also has a range of equity programs including a LGBTIQ+ Ally Network and annual Fusion Festival to celebrate our diverse communities. Southern Cross University is an inclusive and culturally safe work and study environment. For a full list of student support services, visit scu.edu.au/current-students/services-and-support.

More information

Visit scu.edu.au or find us on Facebook, Instagram, Soundcloud, TikTok and YouTube.

PHONE WEB

f /TAFEQueensland
@tafeqld
@TAFEQld
@TAFEQueensland

TAFE Queensland is the state's largest and most experienced training provider, delivering practical, industry-relevant courses to more than 126,000 students each year.

Our courses are taught by highly-qualified teachers who have experience in their fields and are passionate about sharing their industry knowledge with the next generation.

Our flexible study options mean you can choose to study at over 60 locations across the state, online, or through your workplace.

Courses

TAFE Queensland offers more than 400 courses ranging from short courses, certificates and diplomas through to advanced diplomas, associate degrees and even bachelor degrees. Our courses focus on giving you the practical skills and knowledge you need to succeed in your chosen industry.

We offer courses across a comprehensive range of study areas including business and IT, creative industries, education and community, environment and animal services, health and science, infrastructure and transport, and service industries.

As the state's most experienced provider of trade courses, TAFE Queensland also delivers apprenticeship and traineeship training in all major trades, as well as engineering and building design diplomas for students wanting to build a career in the construction industry.

Pathways to university

We have partnerships with a number of leading Australian universities who share the common goal of providing degrees that combine strong practical skills development with rigorous academic learning. This makes TAFE Queensland a great pathway to university, no matter what your career goals.

With our diploma-to-degree pathways you can earn up to 12 months credit towards a university degree, as well as improve your QTAC selection rank.

You can take advantage of this pathway and guarantee your place in a TAFE Queensland diploma and your preferred university degree with just one QTAC application by applying for one of our dual award courses. This allows you to complete a diploma at TAFE Queensland and then transfer directly to university to complete a bachelor's degree, giving you the best of both worlds.

Degree options

University isn't the only place you can get a degree. TAFE Queensland offers a range of degrees that focus on combining theoretical knowledge with our signature hands-on learning style. Delivered in our purpose-built campuses in Brisbane and the Gold Coast, our knowledgeable industry experts will be there to help you every step of the way, providing you with the real-world experience you need to graduate job ready. We've also partnered with the University of Canberra to offer modern degrees that will give you the adaptable thinking needed to make your mark in any industry. Available study areas include creative industries, digital design, dental prosthetics, nursing, and civil engineering. For full details on our degree options, head to the Courses section of this guide.

Entry requirements

Applicants must have completed Year 12 or attained Year 12 leaving age to apply for the majority of TAFE Queensland courses through QTAC. Entry requirements for TAFE Queensland courses not offered through QTAC are available by contacting TAFE Queensland.

Most dental prosthetics, art, music, and performing arts diplomas, advanced diplomas and degrees require manual dexterity, portfolio, audition, or music demonstration submission for entry. These entry requirements are outlined in the course entries in this guide. The final date for applying and changing preferences is 12 December 2025 for Semester 1 2026 and 5 June 2026 for Semester 2 2026.

Student facilities and services

The training facilities at TAFE Queensland are second to none. As a TAFE Queensland student, you'll study in the same facilities used in industry including photography studios, automotive workshops, commercial kitchens, dental clinics, engineering workshops, recording studios, simulated nursing wards, art studios, beauty salons, and open-to-the-public gyms. In addition, our partnerships with local employers give students valuable opportunities to combine their studies with practical work experience in real workplaces.

TAFE Queensland provides a range of dedicated services to support our students with their study, employment and personal needs. Services include career guidance, counselling services, learning support, library services, as well as specialised support for Aboriginal and Torres Strait Islander students, and students with a disability.

RTO 0275 | CRICOS 03020E | PRV 13003

Institution specific information

AGE REQUIREMENT

Year 12 or attained Year 12 leaving age. For the Associate Degree in Civil Engineering, Undergraduate Certificate in Civil Engineering Fundamentals, Bachelor of Dental Prosthetics and Bachelor of Nursing applicants should be a minimum of 17 years of age and turning 18 during the first year of study with TAFE Queensland. Applicants who do not meet the age criteria are required to participate in an interview with the Course Coordinator prior to an offer being made by QTAC. Additional entry requirements apply to these courses, refer to the TAFE Queensland website for full details.

DEFERMENT POLICY

TAFE Queensland allows deferment once for up to one year in the following courses: Associate Degree in Civil Engineering (555948 and 555037), Bachelor of Dental Prosthetics (555145). Applicants do not need to re-apply through QTAC the following year. To apply for deferral an applicant must choose the deferment option when responding to their QTAC offer. Deferment may also be available for degree courses offered by TAFE Queensland in partnership with University of Canberra. For more information contact TAFE Queensland on (07) 3215 1447.

FIXED CLOSING DATE

QTAC applications for the following courses close 12 December 2025 for semester 1, 2026 entry. If the course is offered for semester 2, 2026 the closing date will be 5 June 2026. To be considered after these dates, interested applicants should contact TAFE Queensland directly on 1300 308 233:

- Diploma of Music (Performance specialisation)
- Diploma of Music (Performance specialisation)/Bachelor of Creative Industries (Contemporary Music Practice)
- Bachelor of Creative Industries (Acting and Performance)
- Bachelor of Creative Industries (Contemporary Music Practice)
- Bachelor of Creative Industries (Visual Arts)
- Bachelor of Dental Prosthetics
- Bachelor of Creative Industries (Applied Fashion)
- Diploma of Visual Arts
- Diploma of Visual Arts/Bachelor of Creative Industries (Visual Arts)
- Diploma of Graphic Design
- Diploma of Photography and Digital Imaging
- Diploma of Graphic Design/Bachelor of Digital Design (Visual Communication Design).

OPEN DAYS

Our community

Welcome to The University of Queensland (UQ) – where you can thrive personally and academically in a community that values equity, diversity and inclusion.

Discover a place at UQ where you truly belong. Get involved in activities, engage with issues that are important to you and connect with likeminded people. Feel heard, acknowledged, and appreciated while adding your distinct personality to our thriving student community.

A world top 50 university

UQ is ranked in the world's top 50 universities, with a strong focus on teaching excellence and research. Our passionate and engaging lecturers aim to spark curiosity and inspire students to create change. Our ambitious researchers prove that we can transform the world around us. We also embed an entrepreneurial mindset in everything we do, and encourage our students to think big, be bold and act upon their ideas.

Visit study.uq.edu.au/why-choose-uq to find out why UQ is the right fit for you.

Exciting practical experiences

UQ is a globally connected university. We partner and collaborate with a huge range of institutions and organisations around the world. You'll have opportunities to study overseas and embark on international field trips and internships, jetting off to places like Tokyo, Buenos Aires, London and San Francisco. There are also opportunities for you closer to home, with summer and winter research programs, mentorship and volunteer experiences, and employability workshops. Visit employability.uq.edu.au to discover how you can get career-ready at UQ.

Student life

The student experience is a huge part of university study. At UQ, you'll meet exciting new people and make lifelong friendships. You'll have the chance to attend concerts, cultural festivals and parties, join student-run clubs and societies that match your interests and get involved in a huge array of sports groups and competitions. Visit study.uq.edu.au/university-life to explore student life at UQ.

ATAR guarantee

We offer guaranteed entry to most undergraduate programs based on minimum ATAR thresholds, giving you certainty when applying to UQ so you can focus on preparing for university. Visit study.uq.edu.au/atar-guarantee to find out more about UQ's ATAR guarantee.

Scholarships

UQ offers a wide range of scholarships providing students with financial, academic and transitional support. We offer scholarships to a diverse range of current and commencing students, including those from regional and remote areas, Aboriginal and Torres Strait Islander students, those who have achieved academic or sporting excellence, students experiencing financial hardship and more.

Visit scholarships.uq.edu.au to browse our full range of scholarships.

Adjustment factors

At UQ, you can gain up to five adjustment factors if you're eligible for one of our admission schemes. We award adjustment factors for attending a specific school, completing specific subjects, living in a rural or remote location, experiencing financial hardship and identifying as Aboriginal or Torres Strait Islander. Visit study.uq.edu.au/admissions/undergraduate/review-admission-schemes to find out more.

Campuses

If you want the full university student experience, you can't go past UQ's beautiful, spacious campuses.

St Lucia is our largest and main campus in Brisbane, where most of our programs are taught. It's a vibrant mix of sandstone buildings, modern architecture, parklands and lakes, and provides a perfect study, research and living environment.

Gatton is our rural campus, located about an hour from Brisbane, where our agriculture, plant and veterinary sciences students learn. It offers a relaxed, friendly atmosphere with sprawling fields and a combination of historical and modern facilities.

Herston, located just 5km from Brisbane's CBD, is our specialist campus for health and medical teaching and research. Sharing premises with the Royal Brisbane and Women's Hospital and QIMR Berghofer Medical Research Institute, UQ Herston houses a vibrant clinical and research community.

Dutton Park is a health and biotechnology research and teaching hub. It's located a short distance from our St Lucia campus, just across the river. Dutton Park campus adjoins the Princess Alexandra Hospital and is where our pharmacy students take most of their classes.

Visit campuses.uq.edu.au to explore our world-class facilities.

Open Day

Discover what your life could look like as a UQ student. Join us for Open Day at St Lucia campus on 3 August 2025 and Gatton campus on 17 August 2025. Visit study.uq.edu.au/open-day to find out more about UQ Open Day.

ABORIGINAL & TORRES STRAIT ISLANDER APPLICANTS

At UQ, we'll help you realise your dreams while remaining true to who you are. You will automatically receive 5 adjustment factors from UQ when you apply through QTAC as an Aboriginal and/or Torres Strait Islander applicant. Our Aboriginal and Torres Strait Islander Studies Unit (ATSIS Unit) will support you through every step of your university experience, from admission to graduation and beyond.

AGE REQUIREMENT

To be considered for admission an applicant must be 16 years of age at the commencement date of a program or course. Any applicants under 16 years of age at the commencement date of a program or course will only be eligible for admission under exceptional circumstances and approved for admission by the Academic Registrar. Contact UQ for more information.

DEFERMENT POLICY

You can defer undergraduate programs for up to one year. Contact UQ for more information.

FIXED CLOSING DATE

All applications for audition must be received by the School of Music by 19 August 2025.

QTAC applications and changes of preferences close 30 September 2025:

- Doctor of Medicine (MD) (Provisional Entry for School- Leavers)

For detailed course information, visit qtac.edu.au/courses and filter by The University of Queensland.

TORRENS UNIVERSITY AUSTRALIA

POST

Fortitude Valley campus, Brisbane
90 Bowen Tce, Fortitude Valley, Qld 4006 Australia

PHONE ENQUIRE WEB

1300 575 803
torrens.edu.au/contact-us
torrens.edu.au

As the country's fastest-growing university, Torrens University Australia brings a fresh approach to higher education, with employability at the centre of everything we do. A progressive university that fosters passion, we take a strengths-based approach to teaching. Recognising individuality and potential as better indicators of future success than exam scores, we do not consider ATAR our primary entry requirement*. Our focus on transferable soft skills means everyone has the chance to achieve their academic and career goals.

Built on the strong foundations of our distinguished schools and colleges, such as Billy Blue College of Design and Blue Mountains International Hotel Management School, Torrens University offers undergraduate and postgraduate courses designed with and for industry.

Our future-focused courses in Business, Design and Creative Technology, Health and Hospitality are taught by leading experts and delivered on campus, online and as a blend of both. With locations in Sydney, Melbourne, Brisbane and Adelaide, our national campus network and flexible study options allow students to tailor their learning journey.

Academic staff and industry partners help students bridge the gap between study and work. Our small lecture sizes and personalised approach to teaching ensures students develop strong, relevant skills and thrive in their chosen field. We offer partnerships with industry, allowing students to complete practical experience with some of the most influential brands on the planet.

Accessing cutting-edge facilities and technology while gaining genuine insights in situations that reflect their future workplaces, students develop the competitive edge to help land their dream career. Many of our graduates secure employment at companies they've collaborated with or through connections they've made during their time with us. From enrolment through to graduation, students are supported every step of the way by a passionate network of Success Coaches. Offering guidance and encouragement, our coaches help students excel in their studies and create the right trajectory for their chosen career.

At Torrens University, we give students the tools they need to create their own success. Call 1300 575 803 or email futurestudents@torrens.edu.au if you would like one of our Future Student Advisors to visit your school.

Scholarships

At Torrens University Australia, we believe in the transformative power of education. It's our belief that everyone deserves an education – and that's why we support students' studies from start to success. Investing in them means investing in our future: the next generation of leaders and change-makers. Visit torrens.edu.au/studying-with-us/fees-scholarships/scholarships for the full range of scholarships.

Student support services

At Torrens University Australia, we take the needs of all our students seriously and provide support from the start of their course, all the way through to graduation. We offer a range of student support services, including counselling, academic assistance, career advice and workplace preparation. Our team of advisors and Success Coaches assist domestic and international students. Visit torrens.edu.au/studying-with-us/student-services-support for more information.

Campuses

Located throughout Australia, our dynamic, purpose-built campuses set Torrens University apart. Students may choose to start their studies in Sydney, transfer to Melbourne and complete some or all of their final-year subjects online. Visit torrens.edu.au/campuses.

Brisbane

Strategically located and beautifully designed, our Brisbane campuses are the ideal place to spend your time at university. Our Fortitude Valley campus overlooks the Brisbane River, and Gotha Street has everything you need to learn nursing.

Sydney

Purpose-built and cutting edge, our Sydney campuses are designed to enhance your education, offering modern facilities and the latest technologies to complement your studies. With a strong focus on Work-Integrated Learning, here you can apply your knowledge in practical settings, such as our student-led wellbeing clinic.

Melbourne

With a focus on innovation and sustainability, our Melbourne locations inspire educational and personal growth. Gain hands-on practical experience in health at the Fitzroy Clinic, or begin your academic journey in the fashionable hub of Flinders Street.

Adelaide

Study in Adelaide, where the Torrens University Australia story began. Our Adelaide campus on Wakefield Street was designed for a single purpose – to deliver a world-class student learning experience.

Entry pathways

At Torrens University Australia, we know everyone's different. Our job is to help students explore their strengths and kickstart their careers. Since we value passionate humans, not perfect performance, we no longer consider ATAR as our primary entry requirement – because we know it's passion that unlocks potential. Reach out to one of our Future Student Advisors to discuss pathway options.

Institution specific information

DEFERMENT POLICY

Deferment is available for successful applicants once they have accepted their offer through QTAC and Torrens University Australia student system. Successful applicants are encouraged to contact the Future Student Advisors at 1300 575 803 or email futurestudents@torrens.edu.au for further advice as some programs do not permit deferment or have special conditions.

Torrens University Early Entry Program

The Early Entry Program is open to all Year 12 students who wish to secure their spot at Torrens University Australia before their year 12 exams. Application is easy and takes less than 10 minutes, and you will receive a conditional offer within 10 business days. To us, you're more than just your ATAR. Our Early Entry program recognises your hard work and rewards you with an offer to study with us – before the release of your Year 12 results. Applications are open for our courses in the field of Business, Digital Technology, Design & Creative Technology, Health and Hospitality.

Career quiz

This five-minute quiz matches students' strengths to compatible course and career options. Visit torrens.edu.au/career-crush.

*Exceptions may apply to some courses.

Monday, 19 October 2026 - Friday, 23 January 2027

Orientation: Friday, 16 October 2026

Studying at UNE

On campus

When you study at the University of New England you are not only choosing Australia's oldest regional university, you are becoming part of the UNE story, following in the footsteps of the thousands who have gone before you.

For more than 70 years, students just like you have made their way along majestic Elm Avenue on that first day of the next chapter of their lives, full of anticipation as the 140-year-old Booloominbah Homestead – the history and heart of UNE – comes into view. Like those before you, you will also be shaped by UNE's unique surroundings; you will be inspired, have your spirits lifted and connect with the past, present and future.

You will have experiences that will stay with you forever, make lifelong friendships, and gain the knowledge and skills that will set you on the path to the rest of your life.

Life on campus

UNE remains one of the few universities to provide the complete on-campus experience, combining affordability, student support and community, as well as extensive sporting facilities. Study with UNE and see why we get the maximum five-star rating from graduates for overall experience and teaching quality in the Good Universities Guide year after year (Good Universities Guide Ratings, 2007-2024)*.

Living on campus gives you the benefit of academic and social support networks and a rich tradition of vibrant intercollege sporting and cultural competitions. It means you are in the ideal position to enjoy the living and learning experience to the fullest. Lectures, libraries, cafes and services are all within walking distance on campus.

Campus accommodation

UNE's residential accommodation consists of five colleges, including four traditional college residences, one with 211 modern studio apartments, and a village of self-contained units. Each college has its own distinct character and all of them welcome students into friendly, inclusive and supportive communities. Visit une.edu.au/living.

Online

Future Fit Your Life

UNE pioneered distance education in the 1950s, so we have a lifetime's experience behind us. We now have more than 18,000 online students studying over 140 online courses.

Studying online means that you can access your course content when it suits you. You are not limited by your proximity to the university and can receive your education through a variety of the latest digital technologies. A course might include materials like a set of readings, immersive learning experiences, interactive content, videos, quizzes, forums, and exams – all delivered online.

To make sure your learning can take place when it suits you, UNE provides online facilities which allow you to send questions, submit assignments, order library books, check your results and access other resources 24 hours a day, seven days a week. UNE also pioneered supervised online exams and now all of our exams have transitioned to this mode.

Pathways to study

UNE offers a range of pathways to tertiary study, including our Pathways Enabling Course, Science pathways and TRACKS Tertiary Preparation Program for Aboriginal and Torres Strait Islander students.

Our fully online Pathways Enabling Course is the only fee-free uni entry course in Australia that also gives you two free units of credit into 25 courses, which means you'll reduce both the study time and the cost of your undergraduate degree by two units. Visit une.edu.au/pathways.

International Year 12 students apply directly to UNE.

Aboriginal and Torres Strait Islander applicants

For over 35 years, UNE's Oorala Aboriginal Centre has provided coordinated academic services and study facilities for Aboriginal and Torres Strait Islander students.

Oorala's TRACKS Tertiary Preparation Program is a flexible, on-campus or online university preparation course that is completely free. The program has been specifically devised to provide Aboriginal and Torres Strait Islander students with the opportunity to access and explore tertiary education, while also developing the skills required for undergraduate study. Successful completion of TRACKS will provide entry into an undergraduate degree program.

Our study mentors will guide you through the TRACKS program, step by step. You can complete your study in your own time at your own pace, allowing you to maintain the support of your connections on country, as well as being part of a community of students and staff. Visit une.edu.au/orala.

Institution specific information

AGE REQUIREMENT

Age 17.

DEFERMENT POLICY

UNE may allow successful applicants to defer for up to two years for most UNE courses (with students need to request to defer for one year at a time). To apply for deferment all applicants must respond to their QTAC offer and send in a request for deferment to UNE via AskUNE. Applicants approved to defer their course by UNE do not need to re-apply through QTAC the following year. Enrolment information will be emailed to deferred students advising them that they can enrol as their deferred intake start date approaches. The Bachelor of Nursing cannot be deferred.

OPEN DAYS

Refer to une.edu.au/openday or contact UNE for further information.

For detailed course information, visit qtac.edu.au/courses and filter by **University of New England**.

Selection rank adjustments

UNE will increase your selection rank by a maximum of five points across the following categories:

Equity adjustments – for students who have experienced long-term educational disadvantage. Submit an EAS application through QTAC. Visit qtac.edu.au/educational-access-scheme for more information.

Location adjustments – for students who live in regional, rural and remote locations. Adjustments are applied automatically to a QTAC application. Adjustments are not applied to applications for B Laws (3 years), the Joint Medical Program and B Music or where the maximum adjustment has already been applied for any other reasons. For details, and a link to an eligible postcode look-up tool, search for 'adjustment factors' at une.edu.au.

study@unisq.edu.au
unisq.edu.au

PHONE EMAIL WEB

From breakthrough space and defence research of national significance to driving innovations in health, agriculture and regional development, the University of Southern Queensland is a leader in education and research. This is your place to excel.

UniSQ is leading the way for online and blended education by adapting to the bright minds that study with us – even if they're hundreds of kilometres away from our Toowoomba, Springfield or Ipswich campuses.

We're backed by world-class institutes, centres and facilities, ensuring we deliver research and teaching with real-world impact. UniSQ collaborates with over 50 national and international industry partners to ensure its students receive quality learning experiences and career outcomes.

This is the place for you to do incredible things – empowering yourself begins with choosing to study one of UniSQ's 130 degrees.

Put ambition into action

We all take different paths to a rewarding career. UniSQ offers a range of career-ready opportunities both in and out of the classroom, including access to industry mentors, free career planning advice with our qualified Careers Advisors, access to online work-ready webinars and workshops, and opportunities to enter a range of industry-connected internships, cadetships, and work experiences.

Through exceptional support from leading educators, UniSQ graduates are equipped to succeed in today's rapidly changing work environments.

Scholarships

At UniSQ, we want every student to reach their potential – a scholarship could help you get there. We offer scholarships to students who have demonstrated academic excellence and leadership and contributed to the wider community. Scholarships are also available to help students navigate the costs of university study.

You can apply for more than one. Find your scholarship at unisq.edu.au/scholarships.

Take a different path to your degree

We understand that everyone's path to university is different. If you didn't study for an ATAR, your goals have changed, or if it's been some time since you studied, our pathway programs can secure your place at university.

At UniSQ, your pathway to university is tailored to your skills, experience and the degree you want to study. We have various entry pathways, whether you don't meet entry requirements, are studying later in life, or are from a non-English-speaking background. Find your pathway to a UniSQ degree at unisq.edu.au/pathways.

Student life outside the classroom

There's so much more to university life than studying. Get involved, build your skills, and connect with fellow students through student events to keep you busy. Clubs and societies are also a core part of student life at UniSQ. Join one of many university clubs and societies or create your own based on your interests. Learn more at unisq.edu.au/current-students/support/student-clubs.

Student accommodation

Enjoy the on-campus experience with Residential College accommodation at our Toowoomba campus. Choose from three different colleges, each with different living arrangements, such as meals provided or shared kitchen facilities. UniSQ's Residential Colleges provide convenient and affordable accommodation for long and short stay periods.

A range of off-campus accommodation options close to UniSQ's other campuses is also available. The Education City Residential Village, 100m from our Springfield campus, offers students modern townhouse accommodation options. Staff at our Ipswich campus can also assist students in finding a place to live nearby, with a range of independently owned and operated accommodation options available. Learn more at unisq.edu.au/accommodation.

CRICOS Provider No. 00244B (QLD), 02225M (NSW) TEQSA PRV12081

Institution specific information

AGE REQUIREMENT

Contact UniSQ.

ADJUSTMENT FACTORS

Adjustment factors may increase your selection rank for your preferred degree, through the allocation of additional points in certain circumstances. UniSQ limits applicable adjustment factors to a maximum of ten (10) adjustment points, except for the Bachelor of Biomedical Sciences (Medicine Pathway) program which is limited to a maximum five (5) adjustment points. Applicants who are applying for the Rural Access adjustment scheme will be required to provide supporting documentation. All other adjustments are applied automatically by QTAC when your application is assessed. To find out specific eligibility criteria please visit unisq.edu.au/study/apply/adjustment-factor-pathways.

EARLY OFFER SCHEME

UniSQ Early Entry allows eligible Year 12 students the opportunity to receive an offer to study before ATARs are released – even before final exams. Students can receive an early offer in one of two ways: recommendation from principal or principal's delegate; or successful completion of a UniSQ Head Start course. This offer is granted to students who have a proven track record of hard work and academic achievement. For more information on UniSQ's Early Entry, please visit unisq.edu.au/earlyentry.

DEFERMENT POLICY

Applicants who are offered a place may defer their study for one year. Deferral is not permitted in the following UniSQ Programs:

- UniSQ Ready
- Bachelor of Biomedical Science (Medicine Pathway)

To defer your QTAC offer, contact QTAC by responding to your offer. Applicants do not need to re-apply through QTAC the following year as enrolment information is automatically forwarded to deferred applicants. For more information, visit the UniSQ website or call 1800 269 500.

FIXED CLOSING DATE

QTAC applications close 30 September 2025:

- Bachelor of Biomedical Sciences (Medicine Pathway)
- Bachelor of Biomedical Sciences (Medicine Pathway) First Nations Admission Pathway
- Bachelor of Biomedical Sciences (Medicine Pathway) Bonded Medical Program.

OPEN DAYS

Ipswich and Springfield: 9 August 2025

Toowoomba: 16 August 2025

Refer to unisq.edu.au/open-day or contact UniSQ for further information.

For detailed course information, visit qtac.edu.au/courses and filter by **University of Southern Queensland**.

About us

A better tomorrow isn't something that just happens.

Which is why at UniSC, we provide students with the power to shape the future. We provide the tools, knowledge and hands-on experiences to make it happen.

With world-class teaching, future-focused degrees, and award-winning facilities, UniSC is where you'll go beyond learning to create something bigger. Where every class, every project and every day spent here moves you closer to your better tomorrow and brings us all closer to a brighter future.

From our campuses across South-East Queensland, we're leading change that impacts the world. Whether it's protecting endangered wildlife, driving sustainability, or advancing health and wellbeing, UniSC is where meaningful action begins.

The world needs people who are ready to shape a better tomorrow. People like you.

So, roll up your sleeves, take the first step, and get ready to make your mark.

Better starts here. And better starts now.

Welcome to UniSC.

Learning at UniSC

A five-star student experience

At UniSC, we're committed to providing a personalised, supportive approach to teaching and learning. We're exceptionally proud to be one of Australia's highest-rated public universities, rated* five stars in key areas including: teaching quality, overall experience, learning resources, skills development, social equity, student support, and learner engagement. Our proactive approach to student support means we can connect you to the services you need to succeed, and we'll work with you to make sure study fits into your life.

A truly modern, flexible approach to teaching

We offer hands-on learning and flexible study options across more than 150 programs. We teach the way students want to learn — providing access to materials that will convey the learning outcomes better than traditional one-way lectures. Through our small class sizes, students learn through podcasts, simulations, screencasts, and quizzes, along with some lectures and seminars depending on their program choice.

Learn from experts

Our students are taught by some of the most highly regarded experts in their fields, who are nationally awarded and regularly recognised for excellence in learning and teaching.

A focus on employability

We have great relationships with industry and employers, so you'll have lots of opportunities to network and make career connections during your degree. All our programs include practical training or internships and focus on the core skills you'll need to succeed in the future workplace. This has enabled us to become one of the best universities in Australia for employer satisfaction.**

Future-focused programs

All our programs include a strong focus on the core skills you'll need in the future workplace. No matter what you study, you'll learn to communicate well, solve problems and think creatively.

Work-integrated learning

Our students complete Work-Integrated Learning (WIL) as a part of almost every degree we offer. We prepare graduates to be critical and creative thinkers who are job-ready, through hands-on work-integrated learning opportunities, so when you graduate, you'll hit the ground running.

Facilities

Our specialist facilities, labs and simulation suites have been specifically designed to prepare you with the equipment, tools and materials you'll be using when you enter the workforce.

Overseas study

You can apply for up to two semesters of study at a variety of partner institutions around the world and earn credit towards your degree through UniSC's Study Overseas program. Scholarships are available for eligible students. Visit usc.edu.au/studyoverseas.

Student support services

At UniSC, we're committed to helping you succeed. Students can access a range of support services, some of which include academic and study support, careers and employment services, counselling, financial support, disability services, health and wellbeing services and tailored support for Aboriginal and Torres Strait Islander students. For information about student support, visit usc.edu.au/studentsupport.

Student accommodation

There are a variety of accommodation options close to UniSC's campuses whether you want to live in a student village, share a house or find a place of your own. For information about accommodation and housing, visit usc.edu.au/accommodation.

More information

Visit usc.edu.au or contact Student Central by phone on (07) 5430 2890 or email at information@usc.edu.au.

CRICOS Provider No. 01595D | TEQSA PRV12082

ABORIGINAL & TORRES STRAIT ISLANDER APPLICANTS

Culturally safe spaces

Meet, connect, and study in culturally safe spaces, alongside Aboriginal and Torres Strait Islander student, Elders, staff and community in dedicated cultural spaces.

Indigenous Direct Entry and Access Scheme

If you identify as an Aboriginal and/or Torres Strait Islander person, you may be given direct entry to a program based on your potential to succeed through our Indigenous Direct Entry and Access Scheme (IDEAS). This is a direct entry scheme for people who may not have completed Year 12 or have no previous study experience. We'll consider your past experience and potential to successfully complete university studies as part of your application. High-school leavers completing Year 12 are not eligible for IDEAS, visit usc.edu.au/ideas.

Indigenous Health Admissions Pathway

UniSC prioritises a number of places in select competitive health programs for Aboriginal and Torres Strait Islander students, including the Bachelor of Medical Science, Bachelor of Midwifery, Bachelor of Physiotherapy (Honours) and the Master of Dietetics (Sports Nutrition). If you identify as Aboriginal and/or Torres Strait Islander on your QTAC application and don't meet the minimum selection threshold, you may still be eligible. usc.edu.au/ihap.

AGE REQUIREMENT

Age 17 or completed Year 12.

ADJUSTMENT FACTORS

Adjustment factors can be applied to your ATAR for a range of reasons, including residing in an outer regional or remote area, successfully completing one or more UniSC Headstart courses, or participating in elite-level sport as an athlete, coach or referee. A combination of reasons can be applied to adjust your ATAR. Applicants may receive a maximum adjustment of ten (10) selection ranks across all UniSC adjustment schemes specified below:

QTAC EDUCATIONAL ACCESS SCHEME (EAS)	For students facing difficult circumstances. Apply through QTAC.
ELITE ATHLETE ADJUSTMENT	For elite athletes, coaches, or referees in ASC-recognised sports. Must provide competition history and supporting documents. Non-ASC sports may also be considered.
REGIONAL PREFERENCE ADJUSTMENT	For applicants from Sunshine Coast, Noosa, Gympie, Moreton Bay, Somerset, Fraser Coast, or South Burnett.
DISADVANTAGED SCHOOL ADJUSTMENT	For current school leavers from designated disadvantaged schools.
SMITH FAMILY ADJUSTMENT	For participants in the Smith Family Learning for Life program.
YEAR 12 SUBJECT ADJUSTMENT	For students completing Specialist Mathematics, LOTE, Physics, Biology, Chemistry, or UniSC's Headstart courses.

EARLY OFFER GUARANTEE

Take the stress out of your final year of high school and secure your place at UniSC before you sit your final exams. Through the Early Offer Guarantee, you could receive your offer to study at UniSC as early as September, providing certainty for the year ahead and easing the pressure of exams. You don't need to be ATAR eligible to apply, you just need to have the recommendation of your school principal or nominee who will consider your academic performance, as well as your motivation and ability to succeed at university.

Visit usc.edu.au/early-offer

DEFERMENT POLICY

UniSC allows deferment for up to one year in most undergraduate programs, the Master of Teaching programs and the Tertiary Preparation Program. Exceptions apply. Successful applicants who have accepted their offer through the QTAC system may defer the commencement of their program by selecting deferment when registering their offer response direct with UniSC.

Note: Deferment is not automatically approved for the Bachelor of Medical Science (Griffith MD Provisional Entry for School Leavers) (013231). Applicants made an offer for this program must request deferment by emailing information@usc.edu.au outlining the reasons for the request.

Applicants holding a deferred place will be notified by UniSC on the process to commence their program. If the deferment period is still valid, these applicants will not be required to re-apply through QTAC. Contact UniSC for more information.

FIXED CLOSING DATE

QTAC applications close 29 December 2025:

- Bachelor of Medical Science

30 January 2026 for February 2026 intake.

30 June 2026 for July 2026 intake.

- Bachelor of Music

OPEN DAYS

Refer to usc.edu.au/study/open-day or contact UniSC for further information.

For detailed course information, visit qtac.edu.au/courses and filter by University of the Sunshine Coast.

GLOSSARY

Admission pathway: any option available to prospective higher education students that will enable them to meet the entry requirements of their chosen courses.

Adjustment factors: often referred to previously as bonus points, these are additional points that may be used in combination with an applicant's ATAR or other rank to derive their adjusted selection rank. Adjustments only change ATARs or ranks for a particular course or courses.

Advanced standing: a form of credit for any previous learning. Refer also to Recognition of prior learning (RPL).

AMEB: Australian Music Examinations Board.

Associate degree: a qualification, usually involving two years of study, that gives students the basic technical and academic knowledge and skills needed for employment or further study in their chosen field.

Assumed knowledge: the minimum level of achievement in Senior subjects considered necessary for successful first year tertiary study.

ATAR: Australian Tertiary Admission Rank. The standard measure of a Year 12 student's overall academic achievement in relation to that of other students, expressed as a number on a 2000-point scale from 99.95 down to 0.00 in steps of 0.05. An ATAR below 30 is reported as, "30.00 or less".

Bachelor's degree: a qualification usually requiring three or four years' fulltime or the equivalent part-time study.

Bridging course: a course designed to cover subject knowledge, which helps students gain knowledge in specialist areas that are a core component of a course. If a course requires a prerequisite in an area that students have not studied, a bridging course will help students bridge the gap in that knowledge and gain admission.

Campus: the grounds of a university or other higher education institution.

Combined, double or dual degree: a degree combining two fields of study, resulting in the award of two degrees or one degree encompassing two fields of study.

Competitive: having an ATAR or selection rank equal to or better than that required for entry.

Course: a series of subjects required for and leading to the award of a qualification.

Course duration: the length of time in months and years in which a course should be completed if studied on a full-time or part-time basis.

CSP: Commonwealth supported place.

Deferment: a process that allows you to delay the commencement of your studies.

Direct application: an application made directly to a higher education provider rather than through a tertiary admissions centre.

Distance education: study taken by students who are not physically present in a traditional setting such as a classroom. Refer also to External.

EAS: Educational Access Scheme.

Enabling course: a course designed to provide students with skills needed for success in further study, to assist in the transition to tertiary education; for example, study techniques or English language skills. Successful completion helps prepare a person to be admitted to a course that leads to a

higher education award.

Entry requirements: the requirements an applicant must meet to be considered for entry.

External: a mode of study taken off campus. Refer also to Distance education **Gap year:** a period, typically a year, taken by a student as a break between school and tertiary study.

GPA: Grade Point Average.

HELP: Higher Education Loan Program (formerly HECS).

Honours: advanced or specialised study, usually one year in duration, that students can take as part of or after a bachelor's degree if they have outstanding academic results.

Institution: an educational organisation e.g. a university, college or TAFE.

Location: the place a course is offered.

Major: an area of specialisation that focuses on a particular field of study e.g. history.

Merit: the two measures of merit are the ATAR and selection rank.

Mixed mode learning: a mode of study in which students learn through a combination of classroom-based and self-directed online learning, and workplace activity.

Offer round: a date on which offers of higher education places are issued to applicants, whether through a tertiary admissions centre or directly by a higher education provider.

Postgraduate course: a course studied after an undergraduate degree.

Prerequisite: an entry requirement, such as a subject, portfolio, audition or interview, that an applicant must meet before they are considered for entry.

Professional award: healthcare qualifications, creative arts qualifications or membership of professional associations that may be awarded a selection rank.

Program: refer to Course.

QCAA: Queensland Curriculum and Assessment Authority.

QCE: Queensland Certificate of Education.

Quota: the estimated number of places available in a course.

Recommended study: non-compulsory subjects that institutions suggest students take while at school to give them a better understanding of course content.

Recognition of prior learning (RPL): a process used to assess an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit that may be granted towards completion of a qualification. Also known as credit transfer.

Selection rank: a numerical score between 99.95 (highest) and 0.00 (lowest) used to compare applicants for the purpose of tertiary entry.

Specialisation: refer to Major.

Student contribution: the amount a student must pay towards a Commonwealth supported place.

Transcript: an official record of a student's academic performance issued by an institution.

UCAT: University Clinical Aptitude Test.

Undergraduate degree: a course such as an associate or bachelor's degree, usually undertaken by a student who has not previously graduated from university.

VET: Vocational Education and Training.
