Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- The EPIC (Exemplary Practices in Classrooms) program of targeted improvement in Year 8 core subjects and in faculty determined areas.
- Continuation of the successful Forest Lake Reading Project.
- The employment of support workers to increase school engagement by indigenous students, Senior Secondary students and students with social and emotional concerns.
