Why Technology

- Select and use a range of ICT independently and collaboratively, analyse information to frame questions and plan search strategies or data generation
- Select and use ICT to articulate ideas and concepts, and plan the development of complex solutions
- Select and use a range of ICT tools efficiently and safely to share and exchange information, and to collaboratively and purposefully construct knowledge

Australian Curriculum

STATE HIGH SCHOOL
Independent Public School

Benefits of Technology

The use of digital devices can:

- ✓ increase **real world/life skills** of our young people
- ✓ increase **engagement and motivation**
- ✓ **personalise learning and increase access to information/experiences**
- ✓ allow for **many ways to differentiate**
- ✓ provide **immediacy of feedback for students and teachers**
- ✓ **increase the efficiency** of resources for learning and assessment

Device Dilemma

I Want an iPad and
MacBook

I Need a
Windows 11 Device
(Windows 10 is also acceptable)

I Need Books and
Stationery

Qlearn

QLearn is our **Learning Management System (LMS)**

- It is a tool that will be consistent across all of your subjects
- Inside QLearn you see:
 - Education Perfect, Writers Toolbox
 - Office365 Apps (Outlook, Word, Excel, PowerPoint, etc)
 - Assessment (Including Turnitin submissions)
 - Videos, Documents and other digital resources
 - Extension and support activities
- All lesson materials, readings, worksheets, drafts and feedback in one place and in one logical sequence

Visit our School Website

Forest Lake SHS > Extra-curricular > Computer and internet

The image shows a sequence of two screenshots from the Forest Lake State High School website, illustrating the navigation path. The top screenshot shows the homepage with the navigation menu. A red arrow points to the 'Extra-curricular' link, which has opened a dropdown menu. A second red arrow points to the 'Computer and internet' link in the dropdown. The bottom screenshot shows the 'Computer and Internet' page, with a red arrow pointing to the 'BYOD Documents' section.

Computer and Internet

Information and Communication Technology is integral to learning. The use of ICTs can accelerate, enable, improve and transform student learning in all key learning areas and phases of education. Through use of ICTs, teachers can engage the digital generation, improve individual learning opportunities, spark innovation and enhance pedagogy.

BYOD Documents

- BYOD Charter (PDF, 490KB)
- Laptop4Rent Scheme (PDF, 468KB)
- BYOD Buying Guide (PDF, 319KB)

BYOD Choices

Choice 1: BYOD

- Bring your own device which is a Windows 11 Device (Windows 10 is sufficient and will work)

Choice 2: Laptop4Rent

- You can rent a laptop from our school

Forest Lake
STATE HIGH SCHOOL
Independent Public School

BYOD Choices

1.1: Purchase from any retailer or provide one you already have at home

- The school cannot help with warranty claims
- If device fails, please talk with your retail provider

1.2: Purchase from Forest Lake SHS BYOD Portal

- Purchase from the FLSHS website with confidence
- IT Helpdesk will log all warranty and support claims for you
- We recommend you purchase Accidental Damage Protection (ADP)

Forest Lake
STATE HIGH SCHOOL
Independent Public School

BYOD Choices

2: Laptop4Rent is owned and rented to you by Forest Lake State High School

- Owned and managed by our school
- Warranty and ADP included in the rental price
- Software managed by the school
 - Limited rights to install software on the Laptop
 - No administration rights
- School retains ownership
- Handed back to school at the end of each year

Forest Lake
STATE HIGH SCHOOL
Independent Public School

Accidental Damage Protection (ADP)

BYOD ADP

- A must in schools
- School use is very different to home use
- Claim prices vary from between companies so please read terms and agreement for BYOD

Laptop4Rent ADP

- 1st claim = \$100
- 2nd claim = \$200 or cost of repair (whichever is cheaper)
- Subsequent claims = cost of repair

Forest Lake
STATE HIGH SCHOOL
Independent Public School

Software

- Do not buy any additional software
- Virus protection is already inbuilt into the Windows 11 operating system
- Do not buy McAfee or other software as it often causes firewall issues on our school network and we uninstall it to enable devices to work
- All Microsoft Products are provided free
- All Adobe Products are provide as a component of Student Resource Scheme (SRS)

Forest Lake
STATE HIGH SCHOOL
Independent Public School

BYOD Considerations

- Active Pen input
- Light weight for carrying to school
- Must be 5GHz wireless, Windows 10/11 Laptop
- Robust design - school vs. home use
- Carry case to offer protection
- Battery life - will it last the school day?
- Warranty length, repair location (back to base) and repair times
- Accidental Damage Protection
- Insurance against loss or theft

Forest Lake
STATE HIGH SCHOOL
Independent Public School

Summary: Technology Choices

Bring Your Own Device (BYOD)

- Student Owned
 - Warranty via retail provider
 - At your cost
- Purchase from School Portal
 - Warranty and support via school
 - At your cost
- Laptop for Rent (Laptop4Rent)
 - Warranty, support and software managed by school
 - \$350 per year (for 2024)
